Consultation and Coordination With Indian Tribal Governments (Executive Order 13175)

Pursuant to Executive Order 13175 of November 6, 2000, "Consultation and Coordination with Indian Tribal Governments," we have consulted with tribal representatives throughout the negotiated rulemaking process. We have evaluated any potential effects on federally recognized Indian tribes and have determined that there are no potential adverse effects and have determined that this rule preserves the integrity and consistency of the relative need formula process we have used since 1993 to distribute IRR Program funds. We are making a change from previous years (which we also made for fiscal years 2000, 2001, 2002 and 2003 IRR Program funds (see **Federal Register** notices at 65 FR 37697, 66 FR 17073, 67 FR 44355 and 68 FR 33625)) to modify the FHWA Price Trends Report indices for non-reporting states which do not have current price trends data reports. The yearly FHWA Report is used as part of the process to determine the cost-to-improve portion of the relative need formula. Consultation with tribal governments and tribal organizations is ongoing as part of the TEA-21 negotiated rulemaking process.

RIN 1625-AA08

Special Local Regulations for Marine Events; Severn River, College Creek, and Weems Creek, Annapolis, MD

AGENCY: Coast Guard, DHS.

ACTION: Notice of implementation of regulation.

SUMMARY: The Coast Guard is implementing the special local regulations at 33 CFR 100.518 for the U.S. Naval Academy Crew Races, marine events to be held April 17, April 24, and May 21, 2004, on the waters of the Severn River at Annapolis, Maryland. These special local regulations are necessary to control vessel traffic due to the confined nature of the waterway and expected vessel congestion during the events. The effect will be to restrict general navigation in the regulated area for the safety of event participants, spectators and vessels transiting the event area.

DATES: 33 CFR 100.518 will be enforced from 5:30 a.m. to 10 a.m. on April 17, 2004, from 5:30 a.m. to 9 a.m. on April 24, 2004 and from 5 a.m. to 8 a.m. on May 21, 2004.

FOR FURTHER INFORMATION CONTACT: Ron Houck, Marine Information Specialist, Commander, Coast Guard Activities Baltimore, 2401 Hawkins Point Road, Baltimore, MD 21226-1971, (410) 576-2674.

SUPPLEMENTARY INFORMATION: The U.S. Naval Academy will sponsor crew races on the waters of the Severn River at Annapolis, Maryland. The events will consist of intercollegiate crew rowing teams racing along a 2000-meter course on the waters of the Severn River. A fleet of spectator vessels is expected to

gather near the event site to view the competition. In order to ensure the safety of participants, spectators and transiting vessels, 33 CFR 100.518 will be in effect for the duration of each event. Under provisions of 33 CFR 100.518, vessels may not enter the regulated area without permission from the Coast Guard Patrol Commander. Spectator vessels may anchor outside the regulated area but may not block a navigable channel. Because these restrictions will only be in effect for a limited period, they should not result in a significant disruption of maritime traffic.

Captain, U.S. Coast Guard, Acting Commander, Fifth Coast Guard District.
