Market Development Cooperator Program (MDCP)

AGENCY: International Trade Administration (ITA), Department of Commerce.

ACTION: Notice and request for applications.

SUMMARY: ITA is soliciting U.S. export promotion projects to be conducted by eligible entities for periods of up to three years. Project award periods normally begin between October 1, 2004 and January 1, 2005, but may begin as late as April 1, 2005. MDCP awards help to underwrite the start-up costs of new export ventures that export multipliers are often reluctant to undertake without Federal Government support. MDCP aims to develop, maintain and expand foreign markets for non-agricultural goods and services produced in the United States.

DATES: Proposals must be received by ITA no later than 5 p.m. e.s.t., July 14, 2004. A public meeting to discuss the competition will be held on June 23, 2004, at 10 a.m. in Room 6059 at the address indicated below.

ADDRESSES: Proposals must be submitted to ITA, U.S. Department of Commerce, HCHB 3215; Washington, DC 20230, or via *http://www.grants.gov.* The full funding opportunity announcement and the application kit for this request for applications are available at *http://www.export.gov/mdcp* or at *http://www.grants.gov.*

FOR FURTHER INFORMATION CONTACT: Interested parties who are unable to access information via Internet or who have questions may contact Mr. Brad Hess by mail (*see* **ADDRESSES**), by phone at 202–482–2969, by fax at 202–482–4462, or via Internet at *Brad_Hess@ita.doc.gov.*

SUPPLEMENTARY INFORMATION:

Electronic Access: The full funding opportunity announcement for MDCP is available at *http://www.grants.gov* or *http://www.export.gov/mdcp.*

Funding Availability: Approximately $2,000,000 will be available through this announcement for fiscal year 2004. Applicants must match each federal dollar two to one. Awards are limited to $400,000 each. ITA anticipates making five to nine awards, depending on the amounts requested and the availability of funds.

Statutory Authority: 15 U.S.C. 4723.

CFDA: 11.112, Market Development Cooperator Program.

Eligibility: Trade associations, state departments of trade and their regional associations, and non-profit industry organizations, including export multiplier organizations such as World Trade Centers, centers for international trade development and small business development centers are eligible to apply for an MDCP award.

Cost Sharing Requirements: Two dollars for every federal dollar. The first dollar must be cash. The rest of the match may be cash or in kind.

Intergovernmental Review: Applications under this program are not subject to Executive Order 12372, ''Intergovernmental Review of federal programs.''

Evaluation and Selection Procedures: After receiving the applications, ITA will screen each one to determine the applicant's eligibility to receive an award. After receiving all applications, ITA and other relevant federal professionals will be invited to review the applications. A selection panel composed of ITA managers will review the applications using the evaluation criteria below, score them, and forward a ranked funding recommendation to the Assistant Secretary for Manufacturing and Services. The Assistant Secretary makes the final selection of award winners, justifying any deviation from the selection panel's ranked recommendation.

Evaluation Criteria: The selection panel reviews each eligible application based on five evaluation criteria. The evaluation criteria scores assigned by the panel determine which applications are recommended for funding. The evaluation criteria are listed below.

(1) Export Success Potential (20%). This is the potential of the project to generate export success stories and/or export initiatives in both the short-term and medium-term.

(2) Performance Measures (20%). Applicants must provide quantifiable estimates of how the project will increase or enhance the U.S. industry's export presence in the foreign market(s).

(3) Partnership and Priorities (20%). This criterion indicates the degree to which the project initiates or enhances partnership with ITA and the degree to which the proposal furthers or is compatible with ITA's priorities.

(4) Creativity and Capacity (20%). Applicants demonstrate creativity, innovation, and realism in the project work plan as well as their institutional capacity to carry out the work plan.

(5) Budget and Sustainability (20%). This criterion indicates the reasonableness and effectiveness of the itemized budget for project activities, the amount of the cash match that is readily available, and the probability that the project can be continued on a self-sustained basis after the completion of the award.

The five criteria together constitute the application score. At 20 points per criterion, the total possible score is 100.

Selection Factors: The Assistant Secretary may deviate from the selection panel's ranked recommendation only based on the following factors: (1) Scores of individual selection panel members and the selection panel's written assessments, (2) Degree to which applications satisfy ITA priorities, (3) Geographic distribution of the proposed awards, (4) Diversity of industry sectors and overseas markets covered by the proposed awards, (5) Diversity of project activities represented by the proposed awards, (6) Avoidance of redundancy and conflicts with the initiatives of other federal agencies, and (7) Availability of funds.

The ITA priorities referred to under Evaluation Criteria (3) and Selection Factor (2) are listed below. ITA is interested in receiving proposals to promote U.S. exports that include, but are not limited to, projects that: (1) Improve the competitiveness of U.S. manufacturing and service industries by addressing impediments to innovation
