Title 3—

Notice of May 17, 2004

The President

Continuation of the National Emergency With Respect to Burma

On May 20, 1997, the President issued Executive Order 13047, certifying to the Congress under section 570(b) of the Foreign Operations, Export Financing, and Related Programs Appropriations Act, 1997 (Public Law 104–208), that the Government of Burma has committed large-scale repression of the democratic opposition in Burma after September 30, 1996, thereby invoking the prohibition on new investment in Burma by United States persons contained in that section. The President also declared a national emergency to deal with the threat posed to the national security and foreign policy of the United States by the actions and policies of the Government of Burma, invoking the authority, *inter alia*, of the International Emergency Economic Powers Act, 50 U.S.C. 1701 *et seq.* On July 28, 2003, I issued Executive Order 13310 taking additional steps with respect to that national emergency by putting in place an import ban required by the Burmese Freedom and Democracy Act of 2003 and prohibiting exports of financial services to Burma and the dealing in property in which certain designated Burmese persons have an interest.

Because actions and policies of the Government of Burma continue to pose an unusual and extraordinary threat to the national security and foreign policy of the United States, the national emergency declared on May 20, 1997, and the measures adopted on that date to deal with that emergency must continue in effect beyond May 20, 2004. Therefore, in accordance with section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)), I am continuing for 1 year the national emergency with respect to Burma. This notice shall be published in the **Federal Register** and transmitted to the Congress.
