DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4922-N-05]

Privacy Act of 1974; Notice of Matching Program: Matching Tenant Data in Assisted Housing Programs

AGENCY: Office of the Chief Information Officer, (HUD).

ACTION: Notice of a computer matching program between HUD and the Department of Health and Human Services (HHS).

SUMMARY: Pursuant to the Computer Matching and Privacy Protection Act of 1988, as amended, HUD is providing notice of a matching program involving comparisons of information provided by applicants or participants in any HUD rental housing assistance program authorized under the following statutes and independent sources of income information available through the National Directory of New Hires (NDNH) maintained by HHS:

- i. The United States Housing Act of 1937 (42 U.S.C. 1437 *et seq.*);
- ii. Section 202 of the Housing Act of 1959 (12 U.S.C. 1701q);

iii. Section 221(d)(3), 221(d)(5), or 236 of the National Housing Act (12 U.S.C. 17151(d) and 1715z-1);

iv. Section 811 of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 8013); or

v. Section 101 of the Housing and Urban Development Act of 1965 (12 U.S.C. 1701s).

The matching program will be carried out only to the extent necessary to: (1) Verify the employment and income of individuals participating in the above identified programs to correctly determine the amount of their rent and assistance, and (2) after removal of personal identifiers, to conduct analyses of the employment and income reporting of individuals participating in HUD's rental housing assistance programs. HUD will make the results of the computer match available to public housing agencies (PHAs) administering HUD rental assistance programs to enable them to verify employment and income and correctly determine the rent and assistance levels for individuals participating in those programs. This information also may be disclosed to the HUD Inspector General (HUD/IG), and the Attorney General in connection with the administration of the above named programs. Further, based on (1) an evaluation of the costs and benefits of disclosures made to PHAs, and (2) the adequacy of measures used to safeguard the security and confidentiality of information so disclosed, HUD may expand the use of this computer matching program to disclose employment and income information of tenants to private housing owners, management agents, and contract administrators that administer HUD rental assistance programs under agreements with HUD. HUD and its third party administrators will use this matching authority to reduce or eliminate improper assistance payments in the housing programs listed above.

DATES: *Effective Date:* Computer matching is expected to begin on December 29, 2004 unless comments are received which result in a contrary determination, or 40 days from the date a computer matching agreement is signed, whichever is later.
