DEPARTMENT OF DEFENSE

Department of the Army

Record of Decision for 2d Armored Cavalry Regiment Transformation and Installation Mission Support, Joint Readiness Training Center (JRTC) and Fort Polk, Louisiana, and Long-Term Military Training Use of Kisatchie National Forest Lands

AGENCY: Department of the Army, DoD.

ACTION: Notice of availability of Record of Decision.

SUMMARY: The Department of the Army announces the availability of its Record of Decision (ROD) for 2d Armored Cavalry Regiment (2d ACR) Transformation and Installation Mission Support, Joint Readiness Training Center (JRTC) and Fort Polk, Louisiana, and Long Term Military Training Use of Kisatchie National Forest Lands. On March 19, 2004, the Army published a Notice of Availability of its Final Environmental Impact Statement (EIS) that considered the environmental consequences of the proposed actions and alternatives. The ROD describes the Army's decisions with respect to the proposed actions and alternatives considered in the EIS and its rationale for the decision. Based on the EIS and other relevant factors, the Army has decided to implement its proposed actions. This decision allows the Army to proceed with transformation of the 2d ACR at the JRTC and Fort Polk, Louisiana, and to undertake additional actions to support the installation's current and future missions. The decision includes fielding of the Army's new Stryker vehicle and equipment; construction and improvement of firing ranges, roads, stream crossings, and training support facilities; land use agreements and leases; creation and expansion of helicopter training areas; training and deployment of Army

troops; and continued environmental stewardship. The decision also affirms the Army's commitment to implementing a series of mitigation and monitoring measures to offset potential adverse environmental impacts associated with the proposed actions, as identified in the Final EIS.

ADDRESSES: Requests for copies of the ROD may be submitted to: Dan Nance, Fort Polk Public Affairs Office, 7073 Radio Road, Fort Polk, LA 71459-5342; phone: (337) 531-7203; fax: (337) 531-6014; e-mail: eis@polk.army.mil.

FOR FURTHER INFORMATION CONTACT:

Stacy Basham-Wagner, Joint Agency Liaison, Attention: AFZX-PW-E (Basham-Wagner), 1799 23rd Street, Fort Polk, LA 71459; telephone: (337) 531-7458, fax: (337) 531-2627.

SUPPLEMENTARY INFORMATION: The Department of the Army, as the lead agency, and the U.S. Department of Agriculture, Forest Service and U.S. Department of Transportation, Federal Aviation Administration (FAA), as cooperating agencies, prepared the EIS for 2d ACR Transformation and Installation Mission Support, JRTC and Fort Polk, Louisiana, and Long Term Military Training Use of Kisatchie National Forest Lands. The EIS was prepared to address proposed actions affecting the JRTC and Fort Polk, portions of the Kisatchie National Forest in west-central Louisiana; and England Industrial Airpark at Alexandria, Louisiana. The EIS identified the relevant environmental and socioeconomic impacts of the proposed actions and alternatives on the biological, physical, and cultural environment.

The Army has designated the 2d ACR to transform to the 2d Cavalry Regiment (2d CR), a medium-weight force equipped with Stryker vehicles that will be strategically responsive and more rapidly deployable by air. In addition to transformation of the 2d ACR, units stationed at other Army installations will participate in exercises at the JRTC and Fort Polk on a rotational basis. To these ends, the Army has decided to implement force transformation and installation mission support activities at the JRTC and Fort Polk with respect to home station training (maneuver and gunnery exercises for Army units assigned to Fort Polk), rotational unit exercises, and facilities construction.

In accordance with Forest Service decisions, the Army will also continue its use of Kisatchie National Forest lands to support military training. The areas of the Kisatchie National Forest to be used by the Army are known as the Intensive Use Area and Limited Use
