

These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

Notification to Interested Parties

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this period of review. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: June 14, 2004.

James J. Jochum,

Assistant Secretary for Import Administration.

Sorbitol From France; Final Results of Expedited Sunset Review of the Antidumping Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Extension of Time Limit for the Final Results of Expedited Sunset Review: Sorbitol from France.

SUMMARY: The Department of Commerce ("the Department") is extending the time limit for its final results in the expedited sunset review of the antidumping order on sorbitol from France.¹ The Department intends to issue final results of this sunset review on or about June 30, 2004.

EFFECTIVE DATE: June 22, 2004.

FOR FURTHER INFORMATION CONTACT: Hilary E. Sadler, Esq., Office of Policy, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution

¹ The Department normally will issue its final results in an expedited sunset review not later than 120 days after the date of publication in the **Federal Register** of the notice of initiation. However, if the Secretary determines that a sunset review is extraordinarily complicated under section 751(c)(5)(C) of the Act, the Secretary may extend the period for issuing final results by not more than 90 days. See section 751(c)(5)(B) of the Act.

Avenue, NW., Washington, DC 20230; telephone: (202) 482-4340.

Extension of Final Determination

On February 2, 2004, the Department initiated a sunset review of the antidumping order on Sorbitol from France. See Initiation of Five-Year (Sunset) Reviews, 69 FR 4921 (February 2, 2004). The Department determined that it would conduct an expedited (120 day) sunset review of this order based on responses from the domestic and respondent interested parties to the notice of initiation. The Department's final results of this review were scheduled for June 1, 2004. However, issues have arisen over the appropriate magnitude of the dumping margin likely to prevail for certain companies subject to the sunset review. Because of these complex issues, the Department will extend the deadline. Thus, the Department intends to issue the final results not later than June 30, 2004 in accordance with section 751(c)(5)(B).

Dated: June 15, 2004.

James J. Jochum,

Assistant Secretary for Import Administration.

Stainless Steel Bar From India; Notice of Extension of Time Limits for Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce is extending the time limit for the final results in the antidumping duty administrative review of stainless steel bar from India. The review covers five producers/exporters of the subject merchandise to the United States. The period of review is February 1, 2002, through January 31, 2003.

EFFECTIVE DATE: June 22, 2004.

FOR FURTHER INFORMATION CONTACT: Irina Itkin or Elizabeth Eastwood, Office of AD/CVD Enforcement, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-0656 and (202) 482-3874, respectively.

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act) requires the Department of Commerce (the Department) to make a final determination in an administrative review within 120 days after the date on which the preliminary determination is published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to 180 days (or 300 days if the Department does not extend the time limit for the preliminary results) from the date of publication of the preliminary results.

Extension of the Time Limit for Final Results of Administrative Review

The Department issued the preliminary results of this administrative review of the antidumping duty order on stainless steel bar from India on March 8, 2004 (69 FR 10666). The current deadline for the final results in this review is July 6, 2004. In accordance with section 751(a)(3)(A) of the Act, and 19 CFR 351.213(h)(2), the Department finds that it is not practicable to complete the review within the original time frame due to the complexity of certain issues raised in the case briefs, including several issues involving the application of adverse facts available and revocation of the antidumping duty order.

Because it is not practicable to complete this administrative review within the time limit mandated by section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), the Department is extending the time limit for completion of the final results of this administrative review until September 7, 2004.

Dated: June 16, 2004.

Jeffrey May,

Deputy Assistant Secretary for Import Administration, Group I.
