Background

The Spirit of Service Awards enable the Corporation to recognize exceptional organizations and program participants from each of the Corporation's three programs, Senior Corps, AmeriCorps, and Learn and Serve America. For 2004, the Corporation plans to establish specific nomination guidelines for each of the programs and develop a formal nomination process, which involves voluntary information collection from non-government individuals.

Prior to 2003, AmeriCorps recognized its outstanding members annually through the All-AmeriCorps Awards, which were initiated in 1999 and presented by President Clinton as part of the 5th anniversary celebration of the program. Senior Corps had recognized its outstanding projects and volunteers at its own national conference, and Learn and Serve America recognized exemplary programs and participants through its Leaders School selection and the President's Student Service Awards.

Current Action

The Corporation is soliciting public comments so it can obtain approval from OMB for a three year time period of the Spirit of Service Awards nomination for its three programs. The goal is to establish a nomination process in order to select the annual Spirit of Service Award winners in time to receive their awards during the Corporation's Annual National Conference on Community Volunteering and National Service.
