*Title:* Child Care and Development Fund Plan for States/Territories for FY 2006-2007.

*OMB No.:* 0970-0114.

*Description:* The Child Care and Development Fund (CCDF) Plan (the

Plan) for States and Territories is required from each CCDF Lead Agency in accordance with Section 658E of the Child Care and Development Block Grant Act of 1990, as amended (Pub. L. 101-508, Pub. L. 104-193, and 42 U.S.C. 9858). The implementing regulations for the statutorily required Plan are set forth at 45 CFR 98.10 through 98.18. The Plan, submitted on the ACF-118, is required biennially, and remains in effect for two years. The Plan provides ACF and the public with a description of, and assurance about, the State's or the Territory's child care program. The ACF-118 is currently approved through May 31, 2006, making it available to States and Territories needing to submit Plan Amendments through the end of the FY 2005 Plan Period. However, in July 2005, States and Territories will be required to submit their FY 2006-2007 Plans. Consistent with the statute and regulations, ACF requests extension of the ACF-118 with minor corrections and modifications. The Tribal Plan (ACF-118A) is not affected by this notice.

*Respondents:* State and Territorial CCDF Lead Agencies.

**Program Exclusions: November 2004**

**AGENCY:** Office of Inspector General, HHS.

**ACTION:** Notice of program exclusions.

During the month of November 2004, the HHS Office of Inspector General imposed exclusions in the cases set forth below. When an exclusion is imposed, no program payment is made to anyone for any items or services (other than an emergency item or service not provided in a hospital emergency room) furnished, ordered or prescribed by an excluded party under the Medicare, Medicaid, and all Federal Health Care

programs. In addition, no program payment is made to any business or facility, e.g., a hospital, that submits bills for payment for items or services provided by an excluded party. Program beneficiaries remain free to decide for themselves whether they will continue to use the services of an excluded party even though no program payments will be made for items and services provided by that excluded party. The exclusions have national effect and also apply to all Executive Branch procurement and non-procurement programs and activities.
