II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend PCX's MRP and RFS to add provisions for violations by an Order Entry Firm⁴ of PCX Rules 6.87(c)(4) and 6.90(d)(3),

which require Order Entry Firms to maintain adequate procedures and controls to monitor and supervise the entry of electronic orders.⁵ Currently, the MRP sets forth penalties and sanctions for improperly dividing up an order to make its parts eligible for execution on Auto-Ex or PCX Plus.⁶ The Exchange believes that the proposed amendments to its MRP and RFS are appropriate to include as part of the MRP and RFS since failure to monitor Users⁷ regarding the entry of electronic orders corresponds to the violation of improperly dividing up an order to make its parts eligible for execution on Auto-Ex or PCX Plus.

The Exchange proposes a fine of \$1,000 for the first violation for failure to maintain adequate procedures and controls to monitor and supervise the entry of electronic orders pursuant to PCX Rules 6.87(c)(4) and 6.90(d)(3). In lieu of proposing fines for a second and third violation, the Exchange proposes to treat subsequent violations as a formal disciplinary matter. A formal disciplinary proceeding would be

appropriate to the extent that it addresses an Order Entry Firm's repeated failure to maintain proper procedures given that the Order Entry Firm has already been charged with an MRP violation. Thus, the Exchange believes that an Order Entry Firm's repeated failure to have proper procedures in place, which are essential for the monitoring and supervising of the entry of electronic orders, warrants a formal disciplinary proceeding.

The Exchange believes that the proposed rule change will strengthen the ability of the Exchange to carry out its oversight responsibilities as a self-regulatory organization ("SRO"). The proposed rule change should also aid the Exchange in carrying out its surveillance and enforcement functions. The Exchange does not minimize the importance of compliance with these rules, and all other rules subject to the imposition of fines under the Exchange's MRP. The Exchange relies on its MRP as a tool to address enumerated violations to provide the Exchange with greater flexibility to

³ PCX noted that there was a typographical error appearing in the proposed rule change. Note 1 should tie to PCX Rule 10.12(i) instead of Rule 10.12(k). PCX agrees to correct this error in an amendment to the rule filing to be filed prior to the expiration of the public comment period.

¹ Fines for multiple violations of Options Floor Decorum and Minor Trading Rules are calculated on a running two-year basis.

⁴ See PCX Rule 6.87(a)(3).

⁵ PCX Rule 6.87(c)(4) requires Order Entry Firms to maintain adequate procedures and controls that will permit the Order Entry Firm to effectively

monitor and supervise the entry of electronic orders by all Users. Order Entry Firms must monitor and supervise the entry of orders by Users to prevent prohibited practices set forth in PCX Rule 6.87(d). PCX Rule 6.90(d)(3) sets forth the equivalent requirement for Order Entry Firms with respect to PCX Plus.

⁶ See PCX Rules 10.12(h)(33) and 10.12(i)(33).

⁷ See PCX Rule 6.87(a)(2).

address violations that may not require formal disciplinary proceedings. Under the proposed rules, the Enforcement Department would continue to exercise its discretion under Rule 10.12(f) and pursue certain cases as a formal disciplinary matter, and not within the MRP process, to the extent that the facts or circumstances warrant such action.

2. Basis

The Exchange believes that the proposal is consistent with Section 6(b) of the Act,⁸ in general, and Section 6(b)(5) of the Act,⁹ in particular, in that it will promote just and equitable principles of trade; facilitate transactions in securities, remove impediments to and perfect the mechanisms of a free and open market and a national market system; and protect investors and the public interest. The proposal is also consistent with Sections 6(b)(6)¹⁰ and 6(b)(7),¹¹ which require that members and persons associated with members are appropriately disciplined for violations of Exchange rules and are provided a fair procedure for disciplinary procedures.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments on the proposed rule change were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

- (A) By order approve such proposed rule change, or
- (B) institute proceedings to determine whether the proposed rule change should be disapproved.
