

Federal Advisory Committee Act of 1972 (Pub. L. 92-463). Following consultation with the General Services Administration, notice is hereby given that the Secretary of the Interior is reestablishing the charter for the Yakima River Basin Conservation Advisory Group (CAG). The purpose of the CAG is to provide recommendations to the Secretary of the Interior and the State of Washington on the structure and implementation of the Yakima River Basin Water Conservation Program. In consultation with the State, the Yakama Nation, Yakima River basin irrigators, and other interested and related parties, six members and a facilitator are appointed to serve on the CAG.

The basin conservation program is structured to provide economic incentives with cooperative Federal, State, and local funding to stimulate the identification and implementation of structural and nonstructural cost-effective water conservation measures in the Yakima River basin. Improvements in the efficiency of water delivery and use will result in improved streamflows for fish and wildlife and improve the reliability of water supplies for irrigation.

FOR FURTHER INFORMATION CONTACT: Mr. Jim Esget, Manager, Yakima River Basin Water Enhancement Program, telephone (509) 575-5848, extension 267.

Certification

I hereby certify that reestablishment of the Yakima River Basin Conservation Advisory Group is in the public interest in connection with the performance of duties imposed on the Department of the Interior.

Gale A. Norton,

Secretary of the Interior.

In the Matter of Certain Color Television Receivers From China and Malaysia; Notice of Commission Determination Not To Conduct a Portion of the Hearing in Camera

AGENCY: International Trade Commission.

ACTION: Commission determination not to close any part of the hearing to the public.

SUMMARY: The Commission has determined to deny the request of

several producers and importers of certain color television receivers from China and Malaysia ("respondents") to conduct a portion of its hearing in the above-captioned investigations scheduled for April 15, 2004, *in camera*. See Commission rules 201.13 and 201.36(b)(4) (19 CFR 201.13 and 201.36(b)(4)).

FOR FURTHER INFORMATION CONTACT:

Marc A. Bernstein, Office of General Counsel, U.S. International Trade Commission, telephone 202-205-3087. Hearing-impaired individuals are advised that information on this matter may be obtained by contacting the Commission's TDD terminal on 202-205-1810.

SUPPLEMENTARY INFORMATION: The Commission believes it should conduct its business in public in all but the most unusual circumstances. The Commission has determined that, in light of the nature of these proceedings, it will be able to assess adequately all arguments raised by respondents without resorting to the extraordinary measure of an *in camera* hearing. Accordingly, the Commission has determined that the public interest would be best served by a hearing that is entirely open to the public. See 19 CFR 201.36(c)(1).

Authority: This notice is provided pursuant to Commission Rule 201.35(b) (19 CFR 201.35(b)).
