*The Standards Council of Canada (SCC) voted to end its Laboratory Accreditation Program for Substance Abuse (LAPSA) effective May 12, 1998. Laboratories certified through that program were accredited to conduct forensic urine drug testing as required by U.S. Department of Transportation (DOT) regulations. As of that date, the certification of those accredited Canadian laboratories will continue under DOT authority. The responsibility for conducting quarterly performance testing plus periodic on-site inspections of those LAPSA-accredited laboratories was transferred to the U.S. HHS, with the HHS's NLCP contractor continuing to have an active role in the performance testing and laboratory inspection processes. Other Canadian laboratories wishing to be considered for the NLCP may apply directly to the NLCP contractor just as U.S. laboratories do.

Upon finding a Canadian laboratory to be qualified, HHS will recommend that DOT certify the laboratory (**Federal Register**, July 16, 1996) as meeting the minimum standards of the Mandatory Guidelines published in the **Federal Register** on June 9, 1994 (59 FR 29908) and on September 30, 1997 (62 FR 51118). After receiving DOT certification, the laboratory will be included in the monthly list of HHS certified laboratories and participate in the NLCP certification maintenance program.

The Alturas Indian Rancheria Liquor Control Ordinance reads as follows:

The Alturas Indian Rancheria Liquor Control Ordinance

As Adopted by General Council Resolution No. 03-0003 on August 29, 2003

Article I—Declaration of Public Policy and Purpose

Section 1.1. The importation, distribution, possession, consumption and sale of liquor within the boundaries of the Alturas Indian Rancheria is a

matter of special concern to the members of the Alturas Indian Rancheria (the “Tribe”).

Section 1.2. Federal law, as codified at 18 U.S.C. 1154 and 1161, currently prohibits the introduction of liquor into Indian country, except in accordance with State law and the duly enacted law of the Tribe. By adoption of this Ordinance, it is the intention of the Alturas Indian Rancheria General Council to establish tribal law regulating the sale, distribution and consumption of liquor on tribal lands and to ensure that such activity conforms to all applicable provisions of the laws of the State of California.

Section 1.3. The General Council, according to article VII, section 3, (a) of the Constitution and Bylaws of the Alturas Indian Rancheria (the “Constitution”) as the governing body of the Tribe is endowed with the power to (i) promulgate all ordinances, resolutions, and other enactments of the Alturas Indian Rancheria; and (ii) to represent the members in all negotiations between the Tribe and local, state and Federal Government, their agencies and officers. The General Council has determined that it is in the best interest of the Tribe to enact a tribal ordinance governing the importation, distribution, sale, possession, and consumption of liquor within the boundaries of the Alturas Indian Rancheria (the “Rancheria”). By General Council Resolution No. 03-0003, the General Council has adopted this Ordinance for the regulation of the importation, distribution, sale, possession and consumption of liquor on the Rancheria.

Section 1.4. The General Council has determined that the purchase, distribution and sale of liquor shall take place only at duly licensed (i) tribally-owned enterprises; (ii) tribally-licensed establishments; and (iii) tribally-sanctioned Special Events, all as operating on tribal lands.

Section 1.5. The General Council has determined that any importation, possession, consumption, sale or other commercial distribution of liquor on the Rancheria, other than sales and distribution in strict compliance with this Ordinance, is detrimental to the health, safety and welfare of the members of the Tribe and is therefore prohibited.

Section 1.6. Based upon the foregoing findings and determinations, the General Council hereby enacts this Liquor Control Ordinance (this “Ordinance”) as follows:
