Allen-Edmonds Shoe Corporation, Milwaukee, WI; Notice of Revised Determination on Reconsideration Regarding Eligibility To Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance

By letter dated January 9, 2004, a petitioner requested administrative reconsideration regarding Alternative Trade Adjustment Assistance (ATAA). The certification was signed on November 21, 2003. The notice was published in the **Federal Register** on January 16, 2004 (69 FR 2624).

In the initial investigation the workers were denied ATAA since it was determined that the skills of the subject worker group are easily transferable to other positions in the local area.

The petitioner alleges in the request for reconsideration that the skills of the workers at the subject firm are not easily transferable.

Additional investigation has determined that the workers possess skills that are not easily transferable. A significant number or proportion of the

worker group are age 50 years or over. Competitive conditions within the industry are adverse.

Conclusion

After careful review of the additional facts obtained on reconsideration, I conclude that the requirements of section 246 of the Trade Act of 1974, as amended, have been met for workers at the subject firm.

In accordance with the provisions of the Act, I make the following certification:

All workers of Allen-Edmonds Shoe Corporation, Milwaukee, Wisconsin (TA-W-52,577) who became totally or partially separated from employment on or after August 14, 2002 through November 21, 2005, are eligible to apply for adjustment assistance under section 223 of the Trade Act of 1974, and are also eligible to apply for alternative trade adjustment assistance under section 246 of the Trade Act of 1974.

Signed in Washington, DC this 13th day of February, 2004.
