VIII. Federalism

FDA has analyzed this final rule in accordance with the principles set forth in Executive Order 13132. FDA has determined that the rule does not contain policies that have substantial direct effects on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. Accordingly, FDA has concluded that the rule does not contain policies that have federalism implications as defined in the Executive order and, consequently, a federalism summary impact statement is not required.

Over-The-Counter (OTC) Medications: Technical Correction

AGENCY: Bureau of Prisons, Justice. **ACTION:** Interim final rule.

SUMMARY: This document makes a minor technical correction to the Bureau of Prisons (Bureau) regulations on Over-The-Counter (OTC) medications. Previously, our rule defined an inmate without funds as one who has had an

average daily trust fund account balance of less than \$6.00 for the past 30 days. The words "average daily" in that definition resulted in incorrect classifications by the Bureau's business offices. The more accurate definition of an inmate without funds is one who has not had a trust fund account balance of \$6.00 for the past 30 days. We therefore issue this technical correction.

DATES: This rule is effective September 3, 2004. Comments are due by November 2, 2004.

ADDRESSES: Rules Unit, Office of General Counsel, Bureau of Prisons, 320 First Street, NW., Washington, DC 20534. Our e-mail address is BOPRULES@BOP.GOV.

FOR FURTHER INFORMATION CONTACT:

Sarah Qureshi, Office of General Counsel, Bureau of Prisons, phone (202) 307–2105.

SUPPLEMENTARY INFORMATION: We amend our regulations on Over-The-Counter (OTC) medications (28 CFR part 549, subpart B). We published a final rule on this subject in the **Federal Register** on August 12, 2003(68 FR 47847).

Previously, our rule defined an inmate without funds as one who has had an average daily trust fund account balance of less than \$6.00 for the past 30 days. The words "average daily" in that definition resulted in incorrect classifications by the Bureau's business offices. The more accurate definition of an inmate without funds is one who has not had a trust fund account balance of \$6.00 for the past 30 days. We therefore issue this technical correction.

Administrative Procedure Act

The Administrative Procedure Act (5 U.S.C. 553) allows exceptions to noticeand-comment rulemaking "when the agency for good cause finds * * * that notice and public procedure thereon are impracticable, unnecessary, or contrary to the public interest."

This rulemaking is exempt from normal notice-and-comment procedures because it makes a minor technical correction in the wording of a definition. This change does not change the substance or application of the definition. This rulemaking makes no change to any rights or responsibilities of the agency or any regulated entities. Because this minor change is of a practical nature, normal notice-and-comment rulemaking is unnecessary. The public may, however, comment on this rule change because it is an interim final rule.
