

investigation. A written request, including reasons for the postponement, must be submitted to the Department at least 25 days prior to the preliminary determination.

The Department finds that the petitioners in the investigations submitted a timely request for postponement of the preliminary determinations on July 1, 2004, in accordance with section 773(c)(1)(A) of the Act. Further, the petitioners stated the following reasons for requesting a postponement of the preliminary determinations in the investigations: to allow the Department time to fully analyze and consider the information and arguments presented by the parties to the investigations and to issue and receive supplemental questionnaires and responses in the preliminary phase of the proceedings.

Pursuant to section 733(c)(1)(A) of the Act, the Department has determined that additional time is necessary to allow complete analysis and consideration of information and arguments presented by parties and to permit issuance of supplemental questionnaires and responses in the proceedings. Therefore, the Department is partially extending the preliminary determination date for the investigations until August 25, 2004.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f).

Dated: July 6, 2004.
