

DEPARTMENT OF ENERGY**Federal Energy Regulatory
Commission**

[Project No. 199–203]

**South Carolina Public Service
Authority; Notice of Availability of
Environmental Assessment**

June 29, 2004.

In accordance with the National Environmental Policy Act of 1969 and the Federal Energy Regulatory Commission regulations, 18 CFR part 380 (Order No. 486, 52 FR 47897), the Office of Energy Projects staff (staff) reviewed the request to use Santee-Cooper Project lands and waters in the development of a Lake Marion Regional Water System Project. The project is located on the Santee and Cooper Rivers (Lake Marion and Lake Moultrie) in Berkeley, Calhoun, Clarendon, Orangeburg, and Sumter Counties, South Carolina. Staff prepared an environmental assessment (EA) for the application and analyzed the effects of structures to be constructed on project lands, as well as the water withdrawal from Lake Marion. Staff concluded that the licensee's proposal would not constitute a major federal action significantly affecting the quality of the human environment.

A copy of the EA is available for review at the Commission in the Public Reference Room, located at 888 First Street, NE., Room 2A, Washington, DC 20426 or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the Commission order and attached EA, issued June 28, 2004 (107 FERC ¶ 62,285). For assistance, contact FERC On-line Support at FERCOnlineSupport@ferc.gov or call toll-free (866) 208–3676 for TTY, call (202) 502–8659.

[Docket No. AD04–8–000]

**Electric Creditworthiness Standards;
Notice of Agenda for the July 13, 2004,
Technical Conference on Credit-
Related Issues for Electric
Transmission Providers, Independent
System Operators, and Regional
Transmission Organizations**

July 6, 2004.

As announced in the Notice of Conference issued May 28, 2004, the Federal Energy Regulatory Commission (Commission) will hold a Staff technical conference on Tuesday, July 13, 2004, from 9:30 a.m. to 4 p.m. e.s.t. at the Commission's headquarters, 888 First Street, NE., Washington, DC, in the Commission's meeting room (Room 2C). The conference will be conducted by the Commission's Staff, and members of the Commission may be present for all or part of the conference. The Commodity Futures Trading Commission (CFTC) may also participate. All interested parties are invited to attend. There is no requirement to register and no registration fee to attend the conference. The Commission's summer dress code is business casual.

The purpose of the conference is to consider, among other things, whether the Commission should institute a generic rulemaking to consider credit-related issues for service provided by jurisdictional transmission providers,¹ Independent System Operators (ISOs), and Regional Transmission Organizations (RTOs).

The conference agenda is appended to this Notice. The agenda includes four subject panels. Panelists are encouraged to file prepared written statements addressing the issues on or before July 13, 2004. Such statements should be filed with the Secretary of the Commission. Following the four panels, there will be time for public comment on issues related to the conference.

The conference will be transcribed. Those interested in acquiring the transcript should contact Ace Reporters at 202–347–3700 or 800–336–6646. Transcripts will be placed in the public record ten days after the Commission receives them.

Capitol Connection offers the opportunity for remote listening and

¹For the purposes of this notice, a Transmission Provider is defined as an entity that provides electric transmission service and is neither an ISO nor an RTO.

viewing of the conference. It is available for a fee, live over the Internet, by phone, or via satellite. Persons interested in receiving the broadcast or who need information on making arrangements should contact, as soon as possible, David Reininger or Julia Morelli at Capitol Connection (703–993–3100) or visit the Capitol Connection Web site at <http://www.capitolconnection.org> and click on "FERC."

Interested parties are urged to watch the docket for any further notices on the conference. You may register online at <http://www.ferc.gov/docs-filing/esubscription.asp> to be notified via e-mail of new issuances and filings related to this docket. For additional information please contact Eugene Grace, 202–502–8543 or by e-mail at eugene.grace@ferc.gov.

**ENVIRONMENTAL PROTECTION
AGENCY**

[Region 2 Docket No. NY69–278 FRL–7785–8]

**Adequacy Status of the Submitted
2003, 2009 and 2013 Carbon Monoxide
Budgets for the Attainment and
Maintenance of the Carbon Monoxide
National Ambient Air Quality
Standards for Transportation
Conformity Purposes for Onondaga
County, NY****AGENCY:** Environmental Protection Agency (EPA).**ACTION:** Notice of adequacy.

SUMMARY: In this notice, EPA is notifying the public that we have found that the motor vehicle emissions budgets ("budgets") for carbon monoxide (CO) in the submitted revision to the Carbon Monoxide Maintenance Plan for Onondaga, New York to be adequate for conformity purposes. These budgets were recalculated using EPA's latest motor vehicle emissions factor model, MOBILE6. On March 2, 1999, the D.C. Circuit Court ruled that submitted state implementation plan budgets cannot be used for conformity determinations until EPA has affirmatively found them adequate. As a result of our finding, Onondaga County, New York must use the new 2003, 2009 and 2013 CO budgets from the revision to the Carbon Monoxide Maintenance Plan for
