This notice also lists the following information:

Title of Proposal: Section 8 Random Digit Dialing Fair Market Rent Telephone Survey.

OMB Control Number: 2528-0142.

Description of the need for the information and proposed use: This Telephone Survey provides HUD with a fast, inexpensive way to estimate and update Section 8 Fair Market Rents (FMRs) in areas where FMRs are believed to be incorrect. Section 8(C)(1) of the United States Housing Act of 1937 requires the Secretary to publish Fair Market Rents (FMRs) annually to be effective on October 1 of each year. FMRs are used for the Section 8 Rental Certificate Program (including space rentals by owners of manufactured homes under that program); the Moderate Rehabilitation Single Room Occupancy program; housing assisted under the Loan Management and Property Disposition programs; payment standards for the Rental Voucher program; and any other programs whose regulations specify their use.

Random digit dialing (RDD) telephone surveys have been used for several years to adjust FMRs. These surveys are based on a sampling procedure that uses computers to select statistically random samples of telephone numbers to locate certain types of rental housing units for surveying. HUD will conduct RDD surveys of up to 90 individual FMR areas in a year to test the accuracy of their FMRs.

Members of affected public: Individuals or households living in areas surveyed.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response:

	Number of phone calls made	Average minutes each	Minutes	Hours
Area Surveys:				
Number who pick up phone but are screened out	719,250	1.17	841,522	14,025
Total interviewed (movers and stayers)	15,750	4.20	66,150	1,103
Annual total	735,000	907,672	15,128

Status of the proposed information collection: Pending OMB approval.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C. chapter 35, as amended; and section 8(C)(1) of the United States Housing Act of 1937.

Dated: June 29, 2004.

Dennis C. Shea,

Assistant Secretary for Policy Development and Research.
