

Individuals with Disabilities Program—Technology Implementation Center competition—CFDA Number 84.327M at: <http://e-grants.ed.gov>.

V. Application Review Information

Selection Criteria: The selection criteria for this competition are listed in 34 CFR 75.210 of EDGAR. The specific selection criteria to be used for this competition are in the application package.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may also notify you informally.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as specified by the Secretary in 34 CFR 75.118.

4. *Performance Measures:* Under the Government Performance and Results Act (GPRA), the Department is currently developing measures that will yield information on various aspects of the quality of the Technology and Media Services to Improve Services and Results for Children with Disabilities program (e.g., the extent to which projects are of high quality, are relevant to the needs of children with disabilities, and contribute to improving results for children with disabilities). Data on these measures will be collected from the projects funded under this notice.

Grantees will also be required to report information on their projects' performance in annual reports to the Department (EDGAR, 34 CFR 75.590).

We will notify grantees of the performance measures once they are developed.

ELECTION ASSISTANCE COMMISSION

Charter of the U.S. Election Assistance Commission Technical Guidelines Development Committee

Establishment: In accordance with the requirements of section 221 of the Help America Vote Act of 2002 (Pub. L. 107-252), hereinafter referred to as the Act,

the Election Assistance Commission (the "Commission") hereby establishes the Technical Guidelines Development Committee (the "Committee"), pursuant to the Federal Advisory Committee Act, 5 U.S.C. App. 2.

Objectives and Duties: Pursuant to 42 U.S.C. 15361(b)(1), the Committee will act in the public interest to assist the Executive Director of the Commission in the development of the voluntary voting system guidelines.

Members and Chairperson:

Membership: shall be composed of:

1. The Director of the National Institute of Standards and Technology (NIST) who shall serve as its chair.

2. A group of 14 other individuals appointed jointly by the Commission and the Director of NIST, consisting of the following:

A. An equal number of each of the following:

Members of the Standards Board, Members of the Board of Advisors, Members of the Architectural and Transportation Barrier, and Compliance Board (Access Board).

B. A representative of the American National Standards Institute.

C. A representative of the IEEE.

D. Two representatives of the NASED selected by such Association who are not members of the Standards Board or Board of Advisors, and who are not of the same political party.

E. Other individuals with technical and scientific expertise relating to voting systems and voting equipment.

Administrative Provisions:

1. The Committee shall report to the Executive Director of the Commission.

2. Selected staff within NIST's Information Technology Laboratory will provide staff support for the Committee.

3. The Committee shall meet at least three times per year, quarterly. The Chair of the EAC shall call the first meeting of the Committee. Thereafter, the Chair of the EAC or the Chair of the TGDC may call a meeting of the Committee.

4. Members of the Committee shall not be compensated for their services, but will, upon request, be allowed travel and per diem expenses in accordance with 5 U.S.C. 5701 *et seq.*, while attending meetings of the Committee or subcommittees thereof, or while otherwise performing duties at the request of the Chair, while away from their homes or regular places of business.

5. The Committee shall function solely as an advisory body, in accordance with the provisions of the Federal Advisory Commission Act.

6. The annual cost of operating the Committee is estimated at \$2.8 million, including all direct and indirect

expenses. It is estimated that six FTE will be required to support the TGDC.

7. The Committee shall not act in the absence of a quorum, which shall consist of a simple majority of the members of the Committee not having a conflict of interest in the matter being considered by the Committee, except that, if the number of members on the Committee is even, half will suffice.

8. The EAC will create any subcommittees of the TGDC that may be necessary to accomplish the TGDC's function. In addition, the EAC will establish such operating procedures as required to support the TGDC, consistent with the Federal Advisory Committee Act, as amended.

Duration: While the duration of the Committee is continuing, the Charter shall be renewed every two years from the date of filing.

Charter Filing Date: This Charter was filed on the 23 day of June, 2004.

Paul S. DeGregorio,

Commissioner, U.S. Election Assistance Commission.

BILLING CODE 6820-01-M

DEPARTMENT OF ENERGY

Office of Arms Control and Nonproliferation; Proposed Subsequent Arrangement

AGENCY: Department of Energy.

ACTION: Subsequent arrangement.

SUMMARY: This notice has been issued under the authority of Section 131 of the Atomic Energy Act of 1954, as amended (42 U.S.C. 2160). The Department is providing notice of a proposed "subsequent arrangement" under the Agreement for Cooperation in the Peaceful Uses of Nuclear Energy between the United States and the European Atomic Energy Community (EURATOM) and the Agreement for Cooperation Between the United States and Japan Concerning Peaceful Uses of Nuclear Energy.

This subsequent arrangement concerns the retransfer of 594.94 grams of U.S.-origin uranium (2.26 grams U-235) and 7.04 grams plutonium from Studsvik Research Center, Nykoping, Sweden, to the Japan Atomic Energy Research Institute (JAERI). The nuclear material being retransferred is contained in segments of reactor fuel rods cut out at the Studsvik Hot Cell Laboratory for analysis of the burn up rates by JAERI. The analysis will support the Studsvik development of a database of information regarding how uranium

oxide and mixed-oxide (MOX) react at high burn-up rates.

These material segments will undergo post-irradiation examination at JAERI, which will take ownership of the material when the transport leaves Studsvik. Upon completion of the analysis, the material will be handled as waste and stored in Japan.

In accordance with section 131 of the Atomic Energy Act of 1954, as amended, we have determined that this subsequent arrangement is not inimical to the common defense and security.

This subsequent arrangement will take effect no sooner than fifteen days after the date of publication of this notice.

For the Department of Energy.

Kurt Siemon,

Acting Director, Office of Nonproliferation Policy.
