The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 15Ba2-1 under the Securities Exchange Act of 1934 ("Exchange Act") provides that an application for registration with the Commission by a bank municipal securities dealer must be filed on Form MSD. The Commission uses the information contained in Form MSD to determine whether bank municipal securities dealers meet the standards for registration set forth in the Exchange Act, to develop a central registry where members of the public may obtain information about particular bank municipal securities dealers, and to develop statistical information about bank municipal securities dealers.

Based upon past submissions, the staff estimates that approximately 32

respondents will utilize this application procedure annually, with a total burden of 48 hours. The staff estimates that the average number of hours necessary to comply with the requirements of Rule 15Ba2-1 is 1.5 hours. The average cost per hour is approximately \$67.

Therefore, the total cost of compliance for the respondents is approximately \$3,216.

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Rule 15Bc3-1 and Form MSDW; SEC File No. 270-93; OMB Control No. 3235-0087.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this collection of information to the Office of Management and Budget for extension and approval.

Rule 15Bc3-1 under the Securities Exchange Act of 1934 provides that a notice of withdrawal from registration with the Commission as a bank municipal securities dealer must be filed on Form MSDW.

The Commission uses the information submitted on Form MSDW in determining whether it is in the public interest to permit a bank municipal securities dealer to withdraw its registration. This information is also important to the municipal securities dealer's customers and to the public, because it provides, among other things, the name and address of a person to contact regarding any of the municipal securities dealer's unfinished business.

Based upon past submissions, the staff estimates that approximately 20 respondents in total will utilize this notice procedure annually, with a total burden of 10 hours for all respondents. The staff estimates that the average number of hours necessary for each respondent to comply with the requirements of Rule 15Bc3-1 is 0.5 hours. The average cost per hour is approximately \$101. Therefore, the total cost of compliance for all respondents is \$1010 ($\$101 \times 0.5 \times 20 = \1010).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.
