The Waste has Been Erased at the Handel Bridge Superfund Site

The U.S. Environmental Protection Agency (U.S. EPA) announces its intent to remove the Handel Bridge Superfund site from the National Priorities List (NPL). The U.S. EPA completed cleanup activities at the site and determined that no further cleanup action is needed to protect human health and the environment. The public is invited to comment on this proposed decision. Written and oral comments must be submitted no later than August 21, and should be directed to:

Beth Windsor
U.S. Environmental Protection Agency
77 West Jackson Boulevard
Chicago, Ill 60604 (312) 555-1234
