POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING, AND DISPOSING OF RECORDS IN THE SYSTEM:

STORAGE:

Copies of paper applications as well as information maintained electronically are stored in a work area that is locked when it is not staffed. The doors to the work area are kept closed and signs stating that access is limited to authorized personnel are posted on the doors. There is limited access given to persons who have a need to have access to the information to perform their official duties. Computerized records are stored in a database server in a secured file server room. Electronic records are stored on a file server in another building and backed up nightly. The backup tapes are stored in a separate area from the file server for seven days. After that they are placed in

a safe in another building and retained for one year.

RETRIEVABILITY:

Records can be retrieved by an individual's last name or social security number.

SAFEGUARDS:

The admissions contractor controls access to hardcopy records by keeping them in file cabinets when not being used and in a work area that is locked when it is not occupied by authorized personnel. The System Administrator controls access to the electronic files by use of passwords and the Admissions Specialist assigns rights to modules of the system based on work responsibility. The files are stored in a secure server room at FEMA's Emmitsburg facility. Records are maintained in accordance with Federal computer security standards.

RETENTION AND DISPOSAL:

Hard copy records are maintained for one year and nine months, at which time they are retired to the Federal Records Center. Records are retained for a total of 40 years. Computerized records are stored in a database server in a secured file server room. The same retention schedule that applies to paper records will be followed. This is consistent with the records retention schedule that has been developed for this system.

SYSTEM MANAGER(S) AND ADDRESS:

Senior Admissions Specialist, National Emergency Training Center, 16825 South Seton Avenue, Emmitsburg, Maryland, 21727-8998.
