

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Federal Emergency Management Agency, Emergency Preparedness and Response Directorate, Department of Homeland Security.

ACTION: Notice and request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA), as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on a continuing information collection. In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3506(c)(2)(A)), this notice seeks comments concerning the Mission Assignment forms that are used to record requests for Federal assistance by State and Federal entities to FEMA.

SUPPLEMENTARY INFORMATION: The Mission Assignment forms are necessary to support the Robert T. Stafford Disaster Relief and Emergency Assistance Act, Pub. L. 93–288 as

amended, 42 U.S.C. 5121 *et seq.*; also, the Stafford Act and its implementing regulations 44 CFR 206.7 have provided for FEMA to issue mission assignments for disaster work performed by other Federal agencies. A written request for Federal assistance may be submitted on an Action Request Form (ARF). The ARF is the working document requesting Federal assistance. The mission assignments are directives provided by FEMA to another agency to perform specific work in disaster operations on a reimbursable basis and are defined in the title 44, Code of Federal Regulations, 206.2(a)18. The mission assignment is used to record a request for Federal assistance by States and Federal entities to FEMA, and may become the official FEMA obligating document when a mission assignment to another Federal agency results from the request. The mission assignment contains information that is used by FEMA management to evaluate requests for assistance from States, other Federal agencies and internal FEMA organizations. The requirement that requests for assistance to be made in writing and approved by the requesting State can be found in 44 CFR part 206. Requirements for program and finance officials to sign for the approval of funds from the President’s Disaster Relief Fund are found in standard Federal financial regulations regarding financial operations and separation of duties.
