POSTAL SERVICE

Privacy Act of 1974; System of Records

AGENCY: Postal Service.

ACTION: Notice of proposal to revise system of records.

SUMMARY: The Postal Service proposes to revise the existing system of records entitled, "Office of Inspector General—Investigative File System, 300.010", originally published in the **Federal Register** on October 15, 1998 (63 FR 55416). This system of records, maintained by the Postal Service Office of Inspector General (OIG), is being revised to comply with newly enacted requirements in section 6(e)(7) of the Inspector General Act of 1978. A new routine use will be added to allow disclosure of information, as necessary, to authorized members of the President's Council on Integrity and Efficiency (PCIE) and other Inspector General Offices, which on a periodic basis will conduct a peer review of OIG investigative files and practices to assess and report on the quality of OIG investigations.

DATES: The revision will become effective without further notice 30 days from the date of this publication unless comments are received on or before that date which result in a contrary determination.

ADDRESSES: Comments may be mailed or delivered to: Marta Erceg, Director, Legal Services, Office of Inspector General, 1735 N. Lynn Street, Arlington, Virginia 22209-2020.

SUPPLEMENTARY INFORMATION: This notice is in accordance with the Privacy Act requirement that agencies publish their amended systems of records in the **Federal Register** when there is a revision, change, or addition.

The new section 6(e)(7) of the Inspector General Act (effective in 2003) requires establishment of a peer review process to ensure that "adequate internal safeguards and management procedures continue to exist within [Offices of Inspector General]." The OIG has reviewed Postal Service system of records 300.010 and has determined that it must be revised to add a routine use in order to comply with the requirement that each Office of Inspector General subject itself to periodic peer reviews of its exercise of law enforcement powers.

The objectives of the peer review are to assess whether Office of Inspector General investigative programs have adequate internal safeguards and management procedures, foster high-quality investigations and investigative processes, ensure that the highest levels of professionalism are maintained, and promote consistency in investigative standards and practices within the Inspector General investigative community.

Under the review process, the exercise of the law enforcement powers by each Office of Inspector General shall be reviewed periodically by another Office of Inspector General or by a committee of Inspectors General. The added routine use will allow disclosure of information from OIG investigative files to members of the PCIE and to other Federal Offices of Inspector General, as necessary, for the purpose of conducting such qualitative assessment reviews of the OIG's investigative operations.

Accordingly, the Postal Service is adding the following routine use to the existing system of records:

USPS 300.010

SYSTEM NAME:

Office of Inspector General—
Investigative File System, 300.010.

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND PURPOSES OF SUCH USES:

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available from: Securities and Exchange Commission, Office of Filings and Information Services, 450 Fifth Street, NW., Washington, DC 20549.

Extension: Rule 83; SEC File No. 270-82; OMB Control No. 3235-0181.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et. seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Rule 83, Exemption in the Case of Transactions with Foreign Associates, authorizes an exemption from the "at cost" standard of section 13(b) of the Public Utility Holding Company Act of 1935 (the "Act") for services provided to associated foreign utility companies.

Rule 83 requires a registered holding company system that wishes to avail itself of this exemption from section 13(b) of the Act to submit an application, in the form of a declaration, to the Commission. The Commission will grant the application if, by reason of the lack of any major interest of holders of securities offered in the United States in servicing arrangements affecting such serviced subsidiaries, such an application for exemption is necessary or appropriate in the public interest or for the protection of investors.

Rule 83 does not create a record-keeping burden or retention burden on respondents. The rule does, however, contain reporting and filing requirements. The filing requirement of rule 83 is necessary to obtain a benefit. Responses are not kept confidential. Rule 83 does not impose a cost burden. The Commission has not received any applications specifically under rule 83 in the past 3 years. The only rule 83 related filings were made within the context of large filings concerning other matters. Therefore, we estimate the burden of rule 83 as zero.

The estimate of average burden hours is made solely for the purpose of the

paperwork Reduction Act and are not derived from a comprehensive or even a representative survey or study of the costs of SEC rules and forms.

An Agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Please direct general comments regarding the above information to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503; and (ii) R. Corey Booth, Director/Chief Information Officer, Office of Information Technology, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549. Comments must be submitted to OMB within 30 days of this notice.

Dated: February 13, 2004.

Margaret H. McFarland,
Deputy Secretary.

The Board of Directors ("Board") of the Issuer unanimously adopted resolutions on January 20, 2004 to withdraw its Security from listing on the Exchange. The Issuer stated in its application that it has complied with the PCX rules that govern the removal of securities from listing and registration on the Exchange. The Issuer's application relates solely to the withdrawal of the Security from listing on the PCX and shall not affect its continued listing on the Amex nor its obligation to be registered under section 12(b) of the Act.³

Any interested person may, on or before March 12, 2004, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609, facts bearing upon whether the application has been made in accordance with the rules of the PCX and what terms, if any, should be imposed by the Commission for the protection of investors.
