

will withhold an individual respondent's home address from the public record, as allowable by law. There also may be circumstances in which we would withhold from the rulemaking record a respondent's identity, as allowable by law. If you request that we withhold your name and/or address, state your request prominently at the beginning of your comment. However, we will not consider anonymous comments. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety.

## DEPARTMENT OF JUSTICE

### Federal Bureau of Investigation

#### Agency Information Collection Activities: Proposed Collection; Comments Requested

**ACTION:** 30-day notice of information collection under review: national sex offender registry.

The Department of Justice (DOJ), Federal Bureau of Investigations (FBI) has submitted the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. This proposed information collection was previously published in the **Federal Register** Volume 69, Number 155, page 49915 on August 12, 2004, allowing for a 60-day comment period.

The purpose of this notice is to allow for an additional 30 days for public comment until November 18, 2004. This process is conducted in accordance with 5 CFR 1320.10.

Written comments and/or suggestions regarding the items contained in this notice, especially the estimated public burden and associated response time, should be directed to the Office of Management and Budget, Office of Information and Regulatory Affairs, Attention Department of Justice Desk

Officer, Washington, DC 20503. Additionally, comments may be submitted to OMB via facsimile to (202) 395-5806.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

Enhance the quality, utility, and clarity of the information to be collected; and

Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

#### Overview of This Information Collection

(1) *Type of Information Collection:* Extension of a currently approved collection.

(2) *Title of the Form/Collection:* National Sex Offender Registry.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form Number: none. Federal Bureau of Investigation (FBI).

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: State, local, or tribal government. The National Sex Offender Registry data is a collection from the 50 States, 5 Territories, and the District of Columbia. The registry was established by the FBI in accordance with Federal Law (42 U.S.C. 14072) in order to track the whereabouts and movements of persons who have been convicted of a criminal offense against a victim who is a minor; persons who have been convicted of a sexually violent offense; and persons who are sexually violent predators.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* The estimated number of respondents is 56 government entities. The estimated time for the average respondent to respond: The collection of information from the sex offender is

sponsored by the state government. The subsequent electronic transmission into the National Sex Offender Registry poses no additional burden on the state. The telecommunication network used for the transmission of NSOR data is an existing network, and the FBI assumes all costs.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The estimated total annual burden hour associated with this collection is 1 to allow OMB approval.

#### FOR FURTHER INFORMATION CONTACT:

Brenda E. Dyer, Clearance Officer, United States Department of Justice, Justice Management Division, Policy and Planning Staff, Patrick Henry Building, Suite 1600, 601 D Street, NW., Washington, DC 20530.

Dated: October 13, 2004.

**Brenda E. Dyer,**

*Department Clearance Officer, Department of Justice.*

## DEPARTMENT OF JUSTICE

### Office of Justice Programs

#### Agency Information Collection Activities: Proposed Collection; Comments Requested

**ACTION:** 60-day notice of information collection under review; Police Public Contact Survey

The Department of Justice (DOJ), Office of Justice Programs (OJP), Bureau of Justice Statistics (BJS), has submitted the following information collection request to the Office of Management Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995. This proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for "sixty days" until December 20, 2004. This process is conducted in accordance with 5 CFR 1320.10.

If you have comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Matthew Durose, Bureau of Justice Statistics, 810 7th Street, NW., Washington, DC 20531.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information should address one or more of the following four points:

Evaluate whether the proposed collection of information is necessary for the proper performance of the function of the agency, including whether the information will have practical utility;

Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

Enhance the quality, utility, and clarity of the information to be collected; and

Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information:

(1) *Type of information collection:* Reinstatement, with change, of a previously approved collection for which approval has expired.

(2) *The title of the form/collection:* Police Public Contact Survey.

(3) *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* PPCS-1. Bureau of Justice Statistics, Department of Justice.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Eligible individuals must be age 16 or older. Other: None. The Police Public Contact Supplement fulfills the mandate set forth by the Violent Crime Control and Law Enforcement Act of 1994 to collect, evaluate, and publish data on the use of excessive force by law enforcement personnel. The survey will be conducted as a supplement to the National Crime Victimization Survey in all sample households for a six (6) month period.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* A total of approximately 116,500 persons will be eligible for the PPCS questions during July through December 2005. Of the 116,500 eligible persons, we expect approximately 82 percent or 95,900 of the eligible persons will complete a PPCS interview. Of those persons interviewed for the PPCS, we estimate approximately 80 percent or 76,720 persons will complete only the first two (contact screener questions) survey questions. The estimated time to complete the control information on the PPCS form, read the introductory statement, and administer the first two contact screener questions to the respondents is approximately 1.5

minute per person. Furthermore, we estimate that the remaining 20 percent of the interviewed persons or 19,180 persons will report contact with the police. The time to ask the detailed questions regarding the nature of the contact is estimated to take an average of 10 minutes. Respondents will be asked to respond to this survey only once during the six month period.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The estimated total annual burden hours associated with this collection are 5,114.

If additional information is required contact: Mrs. Brenda E. Dyer, Department Clearance Officer, United States Department of Justice, Policy and Planning Staff, Justice Management Division, Suite 1600, 601 D Street, NW., Washington, DC 20530.

Dated: October 13, 2004.

## DEPARTMENT OF LABOR

### Mine Safety and Health Administration

#### Petitions for Modification

The following parties have filed petitions to modify the application of existing safety standards under section 101(c) of the Federal Mine Safety and Health Act of 1977.

##### 1. Clintwood Elkhorn Mining Company

[Docket No. M-2004-042-C]

Synergy Engineering Services, PLLC, 34 First Street, Foxbottom, Harold, Kentucky 41635, Permit #1201764, has filed a petition for modification for the Clintwood Elkhorn Mining Company, P.O. Box 196, Hurley, Virginia 24620, to modify the application of 30 CFR 77.214(a) (Refuse piles; general) for the Devils Branch Blair #1 Mine (MSHA I.D. No. 44-07014), and the Devils Branch Blair #2 Mine (MSHA I.D. No. 44-07032) located in Buchanan County, Virginia. The petitioner proposes to backfill two existing underground mine face-ups, Blair #1 and Blair #2, with coarse scalp rock material generated from an adjacent underground mine. The Blair #1 Mine is still active, and will be backfilled once mining is complete; the Blair #2 Mine has been mined out and abandoned. A total of four entries exist in both the Blair #1 and Blair #2 Mine, and all entries are located in the Blair coal seam at approximately 1395 feet elevation. The

petitioner has listed specific procedures in this petition that would be followed to seal the mine openings. The petitioner asserts that the proposed alternative method would not diminish the level of protection provided to the miners.

#### Request for Comments

Persons interested in these petitions are encouraged to submit comments via Federal eRulemaking Portal: <http://www.regulations.gov>; E-mail: [Comments@MSHA.gov](mailto:Comments@MSHA.gov); Fax: (202) 693-9441; or Regular Mail/Hand Delivery/Courier: Mine Safety and Health Administration, Office of Standards, Regulations, and Variances, 1100 Wilson Boulevard, Room 2350, Arlington, Virginia 22209. All comments must be postmarked or received in that office on or before November 18, 2004. Copies of these petitions are available for inspection at that address.

Dated at Arlington, Virginia, this 13th day of October, 2004.

**Marvin W. Nichols, Jr.,**

*Director, Office of Standards, Regulations, and Variances.*

## NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

### Records Schedules; Availability and Request for Comments

**AGENCY:** National Archives and Records Administration (NARA).

**ACTION:** Notice of availability of proposed records schedules; request for comments.

**SUMMARY:** The National Archives and Records Administration (NARA) publishes notice at least once monthly of certain Federal agency requests for records disposition authority (records schedules). Once approved by NARA, records schedules provide mandatory instructions on what happens to records when no longer needed for current Government business. They authorize the preservation of records of continuing value in the National Archives of the United States and the destruction, after a specified period, of records lacking administrative, legal, research, or other value. Notice is published for records schedules in which agencies propose to destroy records not previously authorized for disposal or reduce the retention period of records already authorized for disposal. NARA invites public
