#### Responses to Public comments on the Proposed Final Judgment in *United States v. General Electric Company and Instrumentarium OYJ*

Pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. 16(b)-(h), the United States hereby publishes the one comment received on the proposed Final Judgment in *United States v. General Electric Company and Instrumentarium OYJ*, Civil No. 1:03CV01923, filed in the United States

District Court for the District of Columbia, together with the response of the United States to the comment. On September 16, 2003, the United States filed a Complaint alleging that General Electric Company's proposed acquisition of Instrumentarium OYJ would substantially lessen competition in the sale and development of patient monitors used to take the vital physiologic measurements of patients requiring critical care ("critical care monitors") and of mobile, full-size C-arms used for surgical, orthopedic, pain management, and basic vascular procedures, in violation of Section 7 of the Clayton Act. To restore competition in these markets, the proposed Final Judgment, if entered, would require General Electric company to fully divest two Instrumentarium OYJ businesses: Spacelabs, which was its primary critical care monitors business, and Ziehm, the business through which it developed and sold C-arms. Public comment was invited within the statutory 60-day comment period. The comment and the response of the United States thereto are hereby published in the **Federal Register**, and shortly thereafter these documents will be attached to a Certificate of Compliance with Provisions of the Antitrust Procedures and Penalties Act and filed with the Court, together with a motion urging the Court to enter the proposed Final Judgment. Copies of the Complaint, the proposed Final Judgment, and the Competitive Impact Statement are currently available for inspection in Room 200 of the Antitrust Division, Department of Justice, 325 Seventh Street, NW., Washington, DC 20530, telephone: (202) 514-2481 and the Clerk's Office, United States District Court for the District of Columbia, 333 Constitution Avenue, NW., Washington, DC 20001. (The United States's Certificate of Compliance with Provisions of the Antitrust Procedures and Penalties Act will be made available at the same locations shortly after they are filed with the Court.) Copies of any of these materials may be obtained upon request and payment of a copying fee.

**J. Robert Kramer II,**

Director of Operations, Antitrust Division.
