### SUPPLEMENTARY INFORMATION:

#### I. Background

The Board of Trustees of the Medicare Trust Funds (the Hospital Insurance (HI) and Supplementary Medical Insurance (SMI) Trust Funds) report annually on the financial condition of the trust funds. The reports describe the trust funds' current and projected financial condition, within the next 10 years (the "short term") and indefinitely into the future (the "long term"). The Medicare Board of Trustees has requested the Secretary of Health and Human Services (who is one of the Trustees) to establish a panel of technical experts to review the assumptions and methods underlying the HI and SMI annual reports. The panel will consist of up to 7 members, selected by the Secretary or a designee, and a Chair, *who is appointed by the Secretary or a designee.*

The panel will meet periodically throughout its existence, until it has completed its work. The work of the panel is technical in nature and will concentrate on the long term financing of the Medicare program. We will prepare the agenda for the panel's activities, which will set the items for discussion.

We are requesting nominations for members to serve on the panel. Panel members serve with compensation, and travel, meals, lodging, and related expenses will be reimbursed in accordance with standard government travel regulations. We have a special interest in ensuring that women, minorities, and the physically challenged are adequately represented on the panel and encourage nominations of qualified candidates from those groups.
