**Approval and Promulgation of Implementation Plans: Florida; Broward County Aviation Department Variance**

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Proposed rule.

**SUMMARY:** The EPA is proposing to approve the State Implementation Plan (SIP) revision submitted by the State of Florida for the purpose of a department order granting a variance from Rule 62-252.400 to the Broward County Aviation Department. EPA believes that this proposed revision to the SIP is approvable based on the June 23, 1993, EPA policy memorandum entitled, *Impact of the Recent Onboard Decision on Stage II Requirements in Moderate Nonattainment Areas* which indicates that a Stage II program is not a mandatory requirement for areas classified "moderate" or below, upon EPA's promulgation for On-board Refueling Vapor Recovery systems.

In the Final Rules section of this **Federal Register**, the EPA is approving the State's SIP revision as a direct final rule without prior proposal because the Agency views this as a noncontroversial submittal and anticipates no adverse comments. A detailed rationale for the approval is set forth in the direct final rule. If no significant, material, and adverse comments are received in response to this rule, no further activity is contemplated. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this rule. The EPA will not institute a second comment period on this document. Any parties interested in commenting on this document should do so at this time.

**DATES:** Written comments must be received on or before May 6, 2004.

**ADDRESSES:** Comments may be submitted by mail to: Sean Lakeman, Regulatory Development Section, Air Planning Branch, Air, Pesticides and Toxics Management Division, U.S. Environmental Protection Agency, Region 4, 61 Forsyth Street, SW., Atlanta, Georgia 30303-8960. Please follow the detailed instructions described in the direct final rule, **SUPPLEMENTARY INFORMATION** (sections III.B.1. through 3.) which is published in the Rules Section of this **Federal Register**.
