³In the countervailing duty investigation of Honey from Argentina, the Department solicited information from the Government of Argentina (GOA) on an aggregate or industry-wide basis in accordance with section 777A(e)(2)(B) of the Act, rather than from individual producers and exporters, due to the large number of producers and exporters of Honey in Argentina. In accordance with section 351.213(b) of the regulations, the GOA and the petitioners have requested an administrative review of this countervailing duty order. The request must include the name(s) of the exporter or producer for which the inquiry is requested.

Interested parties must submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305.

Certain Stainless Steel Sheet and Strip in Coils From Taiwan: Extension of Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of extension of time limit for final results of antidumping duty administrative review.

SUMMARY: The Department of Commerce ("the Department") is extending the time limit for the final results of the review of stainless steel sheet and strip

in coils ("SSSS") from Taiwan. This review covers the period July 1, 2001 through June 30, 2002.

EFFECTIVE DATE: January 22, 2004.

FOR FURTHER INFORMATION CONTACT:

Laurel LaCivita, Enforcement Group III—Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-4243.

Background

On August 27, 2002, the Department published a notice of initiation of a review of SSSS from Taiwan covering the period July 1, 2001 through June 30, 2002. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 67 FR 55000 (August 27, 2002). On August 6, 2003, the Department published the preliminary results of review. See *Stainless Steel Sheet and Strip in Coils From Taiwan: Preliminary Results and Partial Rescission of Antidumping Duty Administrative Review*, 68 FR 46582 (August 6, 2003), ("Preliminary Results"). In the *Preliminary Results*, the Department stated that it would make its final determination for the antidumping duty administrative review no later than 120 days after the date of publication of the *Preliminary Results*, or not later than December 4, 2003. On December 8, 2003, the Department published in the **Federal Register**, a notice extending the deadline for the final results of review by 43 days, stating that completing the final results within the 120-day period was not practicable. See *Certain Stainless Steel Sheet and Strip in Coils From Taiwan: Extension of Final Results of Antidumping Duty Administrative Review*, 68 FR 68355, (December 8, 2003).

Extension of Time Limit for the Final Results of Review

Section 751(a)(3)(A) of the Act states that if it is not practicable to complete the review within the time specified, the administering authority may extend the 120-day period, following the date of publication of the preliminary results, to issue its final results by an additional 60 days. Completion of the final results

within the 120-day period is not practicable for the following reasons: (1) This review requires the Department to analyze YUSCO's corporate affiliations and relationships; (2) This review involves certain complex issues which were raised by petitioners after the verification and after the preliminary results of review; and (3) The review involves a large number of transactions and complex adjustments.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for issuing the final results of review by 17 days until February 2, 2004.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: January 16, 2004.

Joseph A. Spetrini,

Deputy Assistant Secretary for Import Administration, Group III.
