In addition, a subset of 25 juveniles and 25 adults would also have acoustic tags attached, and a subset of 10 juveniles and 15 adults would also have satellite tags attached. The researchers are requesting authorization for these activities for five years.

Type of Request: Extension.

Number of Respondents: 79.

Responses per Respondent: 1.

Annual Responses: 79.

Average Burden per Response: 40 hours.

Annual Burden Hours: 3,160.

Needs and Uses: The information collection requirement is necessary to verify that Local Redevelopment Authority (LRA) recipients of no-cost Economic Development Conveyances (EDCs) are in compliance with the requirement that the LRA reinvest proceeds from the use of EDC property for seven years. Respondents are LRAs that have executed no-cost EDC agreements with a Military Department that transferred property from a closed military installation. As provided by Section 2821(a)(3)(B)(i) of the National Defense Authorization Act for Fiscal Year 2000 (Pub. L. 106-65), such agreements require that the LRA reinvest the proceeds from any sale, lease or equivalent use of EDC property (or any portion thereof) during at least the first seven years after the date of the initial transfer of the property to support the economic redevelopment of, or related to, the installation. The Secretary of Defense may recoup from the LRA such portion of these proceeds not used to support the economic redevelopment of, or related to, the installation. LRAs are subject to this same seven-year reinvestment requirement if their EDC agreement is modified to reduce the debt owed to the Federal Government. Military Departments monitor LRA compliance with this provision by requiring an annual financial statement certified by an independent Certified Public Accountant. No specific form is required.
