### Consolidated Water Power Company; Notice of Availability of Environmental Assessment

May 13, 2004.

In accordance with the National Environmental Policy Act of 1969 and the Federal Energy Regulatory Commission's (Commission) regulations, 18 CFR part 380 (Order No. 486, 52 FR 47897), the Office of Energy Projects has prepared an Environmental Assessment (EA) for an application requesting Commission approval of license surrender and dam removal for the Fiske Mill Hydroelectric Project. The project is located on the Ashuelot River in the town of Hinsdale, Cheshire County, New Hampshire.

The EA contains the staff's analysis of the potential environmental impacts of the project and concludes that the surrender of project license and dam removal would not constitute a major federal action that would significantly affect the quality of the human environment.

A copy of the EA is available for review and reproduction at the Commission's Public Reference Room, located at 888 First Street, NE., Room

2A, Washington, DC 20426. The EA may also be viewed on the Commission's Web site at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number (prefaced by P-) in the docket number field to access the document. ### Reliant Energy Mid-Atlantic Power Holdings, LLC; Notice of Availability of Environmental Assessment

May 13, 2004.

In accordance with the National Environmental Policy Act of 1969 and the Federal Energy Regulatory Commission's (Commission) regulations, 18 CFR part 380 (Order No. 486, 52 FR 47897), the Office of Energy Projects (staff) has reviewed the application for a new major license for the Piney Project, located on the Clarion River in Clarion County, Pennsylvania, and prepared an environmental assessment (EA) for the project.

In this EA, staff analyzes the potential environmental effects of the existing project and concludes that licensing the project, with staff's recommended measures, would not constitute a major federal action significantly affecting the quality of the human environment.

A copy of the EA and application is available for review at the Commission
