(3) *Agency form number, if any, and the applicable component of the Department sponsoring the collection:* Form Number: NJRP-1. Bureau of Justice Statistics, Office of Justice Programs, Department of Justice.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: State Court Authorities. The National Judicial Reporting Program (NJRP) is the only collection effort that provides an ability to maintain important statistics on felons convicted and sentenced in state courts. The NJRP enables the Bureau of Justice Statistics, Federal, State, and local correctional administrators, as well as, legislators, researchers, and planners to track changes in the numbers and types of offenses and sentences felons convicted in state courts receive. The NJRP also tracks changes in the demographics, conviction type, number of charges, sentence length, and time between arrest, conviction and sentencing of felons convicted in state courts.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* This survey will collect data for approximately 450,772 felons, from 300 responding jurisdictions, at two-year intervals.
