The following list updates the names, addresses, and telephone numbers of those individuals in each State who are responsible for receiving information on nuclear waste shipments. The list will be published annually in the **Federal Register** on or about June 30 to reflect any changes in information.

Procedural History

Capital One Services, Inc. Negotiated Settlement Agreement, 67 FR 61355 (September 30, 2002).

Negotiated Service Agreement Proposed Rule, 68 FR 52546 (September 4, 2003).

Negotiated Service Agreement Final Rule, 69 FR 7574 (February 19, 2004).

On June 21, 2004, the United States Postal Service filed a request seeking a recommended decision from the Postal Rate Commission approving a negotiated service agreement with Bank One Corporation.¹ The negotiated

service agreement is proffered as functionally equivalent to the Capital One Services, Inc. negotiated service agreement (baseline agreement) as recommended by the Commission in docket no. MC2002-2. The Request, which includes six attachments, was filed pursuant to chapter 36 of the Postal Reorganization Act, 39 U.S.C. 3601 *et seq.*²

The Postal Service has identified Bank One Corporation (Bank One), along with itself, as parties to the negotiated service agreement. This identification serves as notice of intervention by Bank One. It also indicates that Bank One shall be considered a co-proponent, procedurally and substantively, of the Postal Service's Request during the Commission's review of the negotiated service agreement. Rule 191(b) [39 CFR 3001.191b]. An appropriate notice of appearance and filing of testimony as co-proponent by Bank One, June 21, 2004, also has been filed.

In support of the Request, the Postal Service has filed direct testimony of Michael K. Plunkett on behalf of United States Postal Service, June 21, 2004 (USPS-T-1). Bank One has separately filed direct testimony of Brad Rappaport on behalf of Bank One Corporation, June 21, 2004 (BOC-T-1). The Postal Service has reviewed the Bank One testimony and, in accordance with rule 192(b) [39 CFR 3001.192b], states that such testimony may be relied upon in presentation of the Postal Service's direct case.³

The Request relies substantially on record evidence entered in the baseline docket, docket no. MC2002-2. The Postal Service's Compliance Statement, Request Attachment E, identifies the baseline docket material on which it proposes to rely.

Requests that are proffered as functionally equivalent to baseline negotiated service agreements are handled expeditiously, until a final determination has been made as to their proper status. The Postal Service's Compliance Statement, Request

and Fees to Implement Functionally Equivalent Negotiated Service Agreement with Bank One Corporation, June 21, 2004 (Request).

² Attachments A and B to the Request contain proposed changes to the Domestic Mail Classification Schedule and the associated rate schedules; Attachment C is a certification required by Commission rule 193(i) specifying that the cost statements and supporting data submitted by the Postal Service, which purport to reflect the books of the Postal Service, accurately set forth the results shown by such books; Attachment D is an index of testimony and exhibits; Attachment E is a compliance statement addressing satisfaction of various filing requirements; and Attachment F is a copy of the negotiated service agreement.

³ Request at 2-3, fn. 2.

Attachment E, is noteworthy in that it is required to identify information to facilitate rapid review of the Request to aid participants in evaluating whether or not the procedural path suggested by the Postal Service is appropriate.

The Postal Service submitted several contemporaneous related filings with its Request. The Postal Service has filed a proposal for limitation of issues in this docket.⁴ Rule 196(a)(6) [39 CFR 3001.196a(6)]. The proposal identifies issues that were previously decided in the baseline docket, and a limited number of issues that remain in the instant Request.

Rule 196(b) [39 CFR 3001.196b] requires the Postal Service to provide written notice of its Request, either by hand delivery or by First-Class Mail, to all participants in the baseline docket, MC2002-2. This requirement provides additional time, due to an abbreviated intervention period, for the most likely participants to decide whether or not to intervene. A copy of the Postal Service's notice was filed with the Commission on June 21, 2004.⁵

The Postal Service has filed a request to establish settlement procedures.⁶ The Postal Service believes that there is a distinct possibility of settlement as the agreement is likely to be found functionally equivalent to the Capital One negotiated service agreement.

The Postal Service believes that it has met the specific filing requirements set forth in rules 193 and 196 [39 CFR 3001.67-3001.193, 196]. It has filed a motion requesting that if the Commission concludes that the submitted materials and incorporations are not sufficient, that those requirements be waived.⁷

The Postal Service's Request, the accompanying testimonies of witnesses Plunkett (USPS-T-1) and Rappaport (BOC-T-1), the baseline docket no. MC2002-2 material, and other related material are available for inspection at the Commission's docket section during regular business hours. They also can be accessed electronically, via the Internet, on the Commission's Web site (<http://www.prc.gov>).
