Agency Information Collection Activities: Proposed Collection; Comment Request

In compliance with section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 concerning proposed collections of information, the Substance Abuse and Mental Health Services Administration will publish periodic summaries of proposed projects. To request more information on the proposed projects or to obtain a copy of the information collection

plans, call the SAMHSA Reports Clearance Officer on (301) 443-7978.

Comments are invited on: (a) Whether the proposed collections of information are necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Proposed Project: Year 2004 Survey of Mental Health Organizations, General Hospital Mental Health Services, and Managed Care Organizations (SMHO)—(OMB No. 0930-0119, Revision)—The 2004 SMHO, to be conducted by SAMHSA's Center for Mental Health Services (CMHS), will be conducted in two phases. There will be only minor changes to the forms used in the 2002 SMHO. Phase I will be a brief two-three page inventory consisting of four forms: (1) A specialty mental health organization form; (2) a general hospital or Veterans Affairs Medical Center with either separate mental health services or integrated mental health services forms; (3) a community residential organization form; and (4) a managed behavioral healthcare organization form.

This short inventory will be sent to all known organizations to define the universe of valid mental health organizations to be sampled in Phase II. The inventory will collect basic information regarding the name and address of the organizations, their type and ownership, size measures (e.g., number of staff), and the kinds of services provided.

Phase II will sample approximately 2,200 mental health organizations and utilize a more detailed survey instrument. Although the Sample Survey form will be more comprehensive, it will be very similar to surveys and inventories fielded in 2002 and earlier. The organizational data to be collected by the Sample Survey form include university affiliation, client/patient census by basic demographics, revenues, expenditures, and staffing.

The resulting data base will be used to provide national estimates and will be the basis of the National Directory of Mental Health Services. In addition, data derived from the survey will be published by CMHS in *Data Highlights*, in *Mental Health, United States*, and in professional journals such as *Psychiatric Services* and the *American Journal of Psychiatry*. *Mental Health, United States* is used by the general public, State governments, the U.S. Congress, university researchers, and other health care professionals. The following table summarizes the burden for the survey.

Questionnaire	Number of respondents	Responses/ respondent	Average hours/re-sponse	Total burden (hrs.)
Phase I (Inventory)				
Specialty Mental Health Organizations	3,315	1	0.5	1,658

Bureau of Citizenship and Immigration Services

[CIS No. 2304-03]

Direct Mail of Requests for Special Immigrant Classification and/or Adjustment of Status by Officers or Employees of International Organizations and Their Family Members

AGENCY: Bureau of Citizenship and Immigration Services, Department of Homeland Security.

ACTION: Notice.

SUMMARY: This notice advises eligible members of the international organization community that the Bureau of Citizenship and Immigration Services (CIS) is adjusting and expanding its Direct Mail Program by directing that all petitions for special immigrant classification pursuant to section 101(a)(27)(I) of the Immigration and Nationality Act (Act), whether submitted separately, or concurrently with an application for adjustment of status, be mailed to the Nebraska Service Center. Applicants who apply for adjustment of status based on a previously approved petition for special immigrant classification pursuant to section 101(a)(27)(I) of the Act must file their adjustment application at the Nebraska Service Center. We are making this change to provide better customer service.

DATES: This notice is effective February 2, 2004.

FOR FURTHER INFORMATION CONTACT: Corinna Luna-Benavides, Service Center Operations, Bureau of Citizenship and Immigration Services, Department of Homeland Security, 20 Massachusetts Avenue, NW, Washington, DC 20314, telephone (202) 305-8010.

SUPPLEMENTARY INFORMATION:

Background

What Is the Direct Mail Program?

Under the Direct Mail Program, individuals seeking certain immigration benefits, including classification as a special immigrant pursuant to section 101(a)(27)(I) of the Act, have been directed to mail the prescribed application or petition directly to a service center for processing instead of submitting it to a local office. See 61 FR 56060 (October 30, 1996). This centralized procedure has resulted in more efficient processing of applications through standardization, the elimination of duplicative work, and the increase in staff productivity.

What Authority Does CIS Have To Administer the Direct Mail Program?

On March 1, 2003, the functions of the Immigration and Naturalization Service (Service) were transferred from the Department of Justice to the Department of Homeland Security (DHS) pursuant to the Homeland Security Act of 2002, Public Law 107-296. The responsibility for the immigration-benefits-adjudications function of the Service, which includes the processes for the filing of petitions and applications, was transferred to CIS of the DHS.

Explanation of Changes

What Does This Notice Do?

This Notice advises eligible members of the international organization community that, as of February 23, 2004, if they wish to file a petition for classification as a special immigrant pursuant to section 101(a)(27)(I) of the Act on Form I-360, Petition for Amerasian, Widow(er), or Special Immigrant, the Form I-360 must be mailed to the Nebraska Service Center. If the petitioner wishes to file an application for adjustment of status on Form I-485, Application to Register Permanent Residence or Adjust Status, concurrently with the Form I-360, the Form I-485 must be mailed simultaneously (filed at the same time, bundled together in a single mailer or delivery packet, with proper filing fees, to the Nebraska Service Center). Applicants who file Form I-485 for adjustment of status based on a previously approved petition for classification as a special immigrant pursuant to section 101(a)(27)(I) of the Act, must now file their application for adjustment of status only at the Nebraska Service Center.

Does This Notice Make Any Changes Relating to an Alien's Eligibility for Classification as a Special Immigrant and/or Adjustment of Status?

No. This notice only alters the filing location for petitions and applications for adjustment of status, filed either concurrently or separately under the Direct Mail Program, submitted by international organizations' officers or employees and their family members seeking special immigrant classification pursuant to section 101(a)(27)(I) of the Act.

How Are These Petitions and Applications Currently Being Processed?

Currently, if an eligible alien were filing only a Form I-360 petition for classification as a special immigrant pursuant to section 101(a)(27)(I) of the Act, he or she would file the petition at the service center having jurisdiction over his or her place of residence. If an eligible alien were petitioning for special immigrant classification and applying for adjustment of status concurrently, then he or she would apply for both actions at his or her local district office. If an alien were applying for adjustment of status after his or her Form I-360 petition for classification as a special immigrant had been approved, then that alien would file a Form I-485 adjustment application at his or her local district office.

Why Is CIS Changing the Application Filing Location at This Time?

The CIS is consolidating the adjudication of these benefits at one location to enhance the uniformity of decisions and improve customer service.

Are There Any Advantages for an Alien Eligible for Classification as a Special Immigrant Pursuant to Section 101(a)(27)(I) of the Act To Concurrently File an Application for Adjustment of Status (Form I-485) With His or Her Petition for Special Immigrant Classification (Form I-360)?

For certain eligible aliens, it may be in their best interest to file concurrently because of statutory deadlines requiring them to file for adjustment of status by a certain date.

Why Would an Alien Eligible Under Section 101(a)(27)(I) of the Act Not Want To File an Application for Adjustment Concurrently With a Petition for Special Immigrant Classification?

There may be certain situations whereby aliens might wish to continue to maintain their current immigration status, while knowing that they have
