DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

[60Day-05AL]

Proposed Data Collections Submitted for Public Comment and Recommendations

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 for opportunity for public comment on proposed data collection projects, the Centers for Disease Control and Prevention (CDC) will publish periodic summaries of proposed projects. To request more information on the proposed projects or to obtain a copy of the data collection plans and instruments, call 404-498-1210 or send comments to Seleda Perryman, CDC Assistant Reports Clearance Officer, 1600 Clifton Road, MS-E11, Atlanta, GA 30333 or send an e-mail to omb@cdc.gov.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have

practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Written comments should be received within 60 days of this notice.

Proposed Project

Evaluation and Assessment of the Effectiveness of Activities Supporting Fire Prevention and Safety—New—National Center for Injury Prevention and Control (NCIPC), Centers for Disease Control and Prevention (CDC).

This project will evaluate the effect of fire safety and prevention education for second grade children and identify program components that contribute to successful outcomes. The fire safety prevention education programs are delivered by fire department personnel and funded by the United States Fire Administration's (USFA) Assistance to Firefighters Grant Program (AFGP). Deaths from fires and burns are the sixth most common cause of unintentional injury-related deaths in the United States with over three-fourths of fire-related deaths and three-fourths of fire-related injuries resulting from house fires. Children are particularly at high risk for injury with residential fire death rates approximately two times that of adult age groups. The prevention programs that are funded by AFGP

provide local fire departments with resources to conduct fire safety education for elementary school children. None of these programs has been systematically evaluated to determine impact on fire safety knowledge, skills, and behaviors. The proposed project does not assume a direct link from knowledge, skills, and behaviors to reductions in fire death rates; however, these intermediate outcomes may predispose and enable children to protect themselves from fire-related injury.

Children's knowledge, skills, and behaviors will be studied as a function of time (pre-, immediate post-, and 6 month post-), geographic setting (urban, rural, suburban) and instructional format (classroom, safety trailer, classroom + safety trailer, none). The design used in this study is a 3 x 4 factorial design with repeated measures. A survey will be used to assess children's fire safety knowledge, skills, and behaviors. Information will also be collected from the children's parents on fire safety activities within the home.

Teachers, school administrators, and the fire fighters delivering the program will complete surveys to gather information on messages delivered, props used, and possible additional exposures to fire safety education. Information will also be collected regarding the school and Fire Department personnel's perception of program sustainability and the relationship between the Fire Department and school. The only cost to the respondents is the time involved to complete the survey.

Respondents	Number of respondents	Number of responses/respondent	Average burden/response (in hrs)	Total burden hours
Fire Fighters	24	2	15/60	12
2nd Grade Children	1920	3	20/60	1920
Parents of 2nd Grade Children	1920	2	10/60	640
Teachers of 2nd Grade Children	96	2	15/60	48
School Administrators	48	1	20/60	16
Total				2636

Dated: November 24, 2004.

B. Kathy Skipper,

Acting Director, Management Analysis and Services Office, Centers for Disease Control and Prevention.

National Institute for Occupational Safety and Health Advisory Board on Radiation and Worker Health

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), the Centers for Disease

Control and Prevention (CDC) announces the following committee meeting:

Name: Advisory Board on Radiation and Worker Health (ABRWH), National Institute for Occupational Safety and Health (NIOSH).

Subcommittee Meeting Time and Date: 8:30 a.m.–9:30 a.m., December 13, 2004.

Committee Meeting Times and Dates: 9:45 a.m.–4:30 p.m., December 13, 2004; 8 a.m.–4:30 p.m., December 14, 2004; 7 p.m.–8:30 p.m., December 14, 2004; 8:30 a.m.–4:30 p.m., December 15, 2004.

Place: The DoubleTree Club Hotel, 720 Las Flores Road, Livermore, California 94551, telephone 925/443-4950, fax 925/449-9059.

Status:

Subcommittee Meeting Time and Date: Open 8:30 a.m.–9:30 a.m., December 13, 2004.

Committee Meeting Times and Dates: Open 9:45 a.m.–1 p.m., December 13, 2004; Closed 1 p.m.–4:30 p.m., December 13, 2004; Open 8 a.m.–4:30 p.m., December 14, 2004; Open 7 p.m.–8:30 p.m., December 14, 2004; Open 8:30 a.m.–4:30 p.m., December 15, 2004; The open portions of the meeting are limited only by the space available. The meeting room accommodates approximately 65 people.

Background

The ABRWH was established under the Energy Employees Occupational Illness Compensation Program Act (EEOICPA) of 2000 to advise the President, on a variety of policy and technical functions required to implement and effectively manage the new compensation program. Key functions of the Board include providing advice on the development of probability of causation guidelines which have been promulgated by HHS as a final rule, advice on methods of dose reconstruction which have also been promulgated by HHS as a final rule, advice on the scientific validity and quality of dose estimation and reconstruction efforts being performed for purposes of the compensation program, and advice on petitions to add classes of workers to the Special Exposure Cohort (SEC). In December 2000 the President delegated responsibility for funding, staffing, and operating the Board to HHS, which subsequently delegated this authority to the CDC. NIOSH implements this responsibility for CDC. The charter was issued on August 3, 2001, and renewed on August 3, 2003.

Purpose

This board is charged with (a) providing advice to the Secretary, HHS, on the development of guidelines under Executive Order 13179; (b) providing advice to the Secretary, HHS, on the scientific validity and quality of dose reconstruction efforts performed for this Program; and (c) upon request by the Secretary, HHS, advise the Secretary on whether there is a class of employees at any Department of Energy facility who were exposed to radiation but for whom it is not feasible to estimate their radiation dose, and on whether there is reasonable likelihood that such radiation doses may have endangered the health of members of this class.

Matters to Be Discussed

The agenda for this meeting will focus on Program Status Reports from NIOSH

and the Department of Labor, Contract Process and Requirements, Board Discussion of Case Reviews, Subcommittee Report and Recommendations, Site Profile Review, NIOSH's Response to Site Profile Review, SEC Petition Process Procedures, SEC Petition Evaluation Review Plan Workgroup Report, Scientific Research Issues Update, and a Board working session. There will be an evening public comment period scheduled for December 14, 2004, and a public comment period on December 15, 2004.

The Subcommittee will convene on December 13, 2004, from 8:30 a.m.–9:30 a.m. and will focus on review of draft minutes and selection of Individual Dose Reconstruction Cases for Board Review.

The closed portion of the meeting on December 13th will involve discussion of individual dose reconstruction case reviews, and is required to avoid the public disclosure of confidential information and claimant's privacy.

The agenda is subject to change as priorities dictate.

FOR FURTHER INFORMATION CONTACT:

Larry Elliott, Executive Secretary, ABRWH, NIOSH, CDC, 4676 Columbia Parkway, Cincinnati, Ohio 45226, telephone 513/533-6825, fax 513/533-6826.

The Director, Management Analysis and Services Office, has been delegated the authority to sign **Federal Register** notices pertaining to announcements of meetings and other committee management activities for both CDC and the Agency for Toxic Substances and Disease Registry.

Dated: November 24, 2004.

B. Kathy Skipper,

Acting Director, Management Analysis and Services Office, Centers for Disease Control and Prevention.

BILLING CODE 4163-19-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Food and Drug Administration

[Docket No. 2004N-0062]

Agency Information Collection Activities; Announcement of Office of Management and Budget Approval; Color Additive Certification Requests and Recordkeeping

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice.

SUMMARY: The Food and Drug Administration (FDA) is announcing that a collection of information entitled "Color Additive Certification Requests and Recordkeeping" has been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995.

FOR FURTHER INFORMATION CONTACT: Peggy Robbins, Office of Management Programs (HFA-250), Food and Drug Administration, 5600 Fishers Lane, Rockville, MD 20857, 301-827-1223.

SUPPLEMENTARY INFORMATION: In the **Federal Register** of July 19, 2004 (69 FR 42998), the agency announced that the proposed information collection had been submitted to OMB for review and clearance under 44 U.S.C. 3507. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. OMB has now approved the information collection and has assigned OMB control number 0910-0216. The approval expires on November 30, 2007. A copy of the supporting statement for this information collection is available on the Internet at <http://www.fda.gov/ohrms/dockets>.

Dated: November 19, 2004.

Jeffrey Shuren,

Assistant Commissioner for Policy.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

National Vaccine Injury Compensation Program: Inclusion of Hepatitis A Vaccines in the Vaccine in the Injury Table

AGENCY: Health Resources and Services Administration (HRSA), HHS.

ACTION: Notice.

SUMMARY: Through this notice, the Secretary of Health and Human Services announces that Hepatitis A vaccines are covered vaccines under the National Vaccine Injury Compensation Program (VICP), which provides a system of no-fault compensation for certain individuals who have been injured by covered childhood vaccines. This notice serves to include Hepatitis A vaccines as covered vaccines under Category XIV (new vaccines) of the Vaccine Injury Table (Table), which lists the vaccines covered under the VICP. This notice ensures that petitioners may file petitions relating to Hepatitis A
