The Committee will advise the Director of NIST on carrying out investigations of building failures conducted under the authorities of the NCST Act that became law in October 2002 and will review the procedures developed to implement the NCST Act and reports issued under section 8 of the NCST Act. Background information on the NCST Act and information on the NCST Advisory Committee is available at www.nist.gov/ncst.

Pursuant to the Federal Advisory Committee Act, 5 U.S.C. app. 2, notice is hereby given that the National Construction Safety Team (NCST) Advisory Committee (Committee), National Institute of Standards and Technology (NIST), will meet Tuesday, October 19, 2004, from 8 a.m. to 5 p.m. and Wednesday, October 20, 2004, from 8 a.m. to 3 p.m. at NIST headquarters in Gaithersburg, Maryland.

action, and data collection status and the issuance of subpoenas may be closed in accordance with 5 U.S.C. 552b(c)(4), (5), (9)(B), and (10) respectively. The closed portion of the meeting is scheduled to begin at 11 a.m. and end at 3 p.m. on October 20. All other portions of the meeting will be open to the public.

Individuals and representatives of organizations who would like to offer comments and suggestions related to the Committee's affairs, the WTC Investigation, or the Rhode Island Investigation are invited to request a place on the agenda. On October 19, 2004, approximately one-hour will be reserved for public comments, and speaking times will be assigned on a first-come, first-served basis. The amount of time per speaker will be determined by the number of requests received, but is likely to be 5 minutes each. Questions from the public will not be considered during this period. Speakers who wish to expand upon their oral statements, those who had wished to speak but could not be accommodated on the agenda, and those who were unable to attend in person are invited to submit written statements to the National Construction Safety Team Advisory Committee, National Institute of Standards and Technology, 100 Bureau Drive, MS 8611, Gaithersburg, Maryland 20899-8611, via fax at (301) 975-6122, or electronically by e-mail to ncstac@nist.gov.

DATES: The Council's Ad Hoc Red Snapper AP will convene from 8 a.m. on October 26, 2004, and conclude no later than 5 p.m. on October 27, 2004.

ADDRESSES: The meeting will be held at the New Orleans Airport Plaza Hotel and Conference Center, 2150 Veterans Boulevard, Kenner, LA 70062; telephone: (504) 467-3111.

FOR FURTHER INFORMATION CONTACT: Wayne Swingle, Executive Director, Gulf of Mexico Fishery Management Council; telephone: (813) 228-2815.

SUPPLEMENTARY INFORMATION: The Council's AP will convene to review public comment on an individual fishing quota (IFQ) scoping document, and to develop their recommendations to the Council on the alternatives that should become rules regulating the IFQ process. The AP consists of persons in the commercial red snapper fishery that are dealers or fishermen holding either Class 1 or Class 2 commercial red snapper vessel licenses. The AP also has four non-voting members representing law enforcement, academia, red snapper biological assessment, and the environmental community. An IFQ program would be used to allocate shares of the commercial red snapper quota to all fishermen with records of landings. Each fisherman's share would be based on his landing records from the trip tickets filed with NMFS. The IFQ shares will be transferrable to other fishermen. The IFQ profile includes alternatives for regulating the IFQ program that were reviewed by the public at scoping hearings held in August 2004.

Although other non-emergency issues not on the agendas may be discussed by

the AP, in accordance with the Magnuson-Stevens Fishery Conservation and Management Act, those issues may not be the subject of formal action during these meetings. Actions of the AP will be restricted to those issues specifically identified in the agendas and any issues arising after publication of this notice that require emergency action under section 305(c) of the Act, provided the public has been notified of the Council's intent to take action to address the emergency.
