Rule 88 and Form U-13-1; SEC File No. 270-80; OMB Control No. 3235-0182

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for extension of the matters relating to the previously approved collections of information discussed below.

Form U-13-1, [17 CFR 259.113] under the Public Utility Holding Company Act of 1935, as amended ("Act"), 15 U.S.C. 79, *et seq.*, is required to be filed under Rule 88 of the Act by companies seeking Commission approval to become mutual service companies under the Act.

Rule 88 under the Act, which implements Section 13 of the Act requires the information collection prescribed by Form U-13-1. The Commission estimates that the total annual reporting and recordkeeping burden of collections for Form U-13-1 is 88 hours (22 responses × 4 hours = 88 hours).

The estimate of average burden hours are made for purposes of the Paperwork Reduction Act and are not derived from a comprehensive or representative survey or study of the costs of complying with the requirements of Commission rules and forms.

An Agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Please direct general comments regarding the above information to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503; and (ii) R. Extension:

Rule 17Ad-2(c), (d), and (h); SEC File No. 270-149; OMB Control No. 3235-0130

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

- Rule 17Ad-2(c), (d), and (h)—Transfer Agent Turnaround, Processing and Forwarding Requirements

Rule 17Ad-2(c), (d), and (h), 17 CFR 240.17Ad-2(c), (d), and (h), under the Securities Exchange Act of 1934, enumerate the requirements with which transfer agents must comply to inform the Commission or the appropriate regulator of a transfer agent's failure to meet the minimum performance standards set by the Commission rule by filing a notice.

While it is estimated there are 900 transfer agents, approximately ten notices pursuant to 17Ad-2(c), (d), and (h) are filed annually. The estimated annual cost to respondents is minimal. In view of: (a) The readily available nature of most of the information required to be included in the notice (since that information must be compiled and retained pursuant to other Commission rules); (b) the summary fashion that such information must be presented in the notice (most notices are one page or less in length); and (c) the experience of the staff regarding the notices, the Commission staff estimates that, on average, most notices require approximately one-half hour to prepare. The Commission staff estimates that transfer agents spend an average of five hours per year complying with the rule.

The retention period for the recordkeeping requirement under Rule 17Ad-2(c), (d), and (h) is not less than two years following the date the notice is submitted. The recordkeeping

requirement under this rule is mandatory to assist the Commission in monitoring transfer agents who fail to meet the minimum performance standards set by the Commission rule. This rule does not involve the collection of confidential information. Please note that a transfer agent is not required to file under the rule unless it does not meet the minimum performance standards for turnaround, processing or forwarding items received for transfer during a month. Persons should note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

General comments regarding the estimated burden hours should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503; and (ii) R. Corey Booth, Director/Chief Information Officer, Office of Information Technology, Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549. Comments must be submitted to OMB within 30 days of this notice.

Dated: March 1, 2004.

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Form U-6B-2, SEC File No. 270-169, OMB Control No. 3235-0163.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission (the "Commission") is soliciting comments on the collections of information summarized below. The Commission plans to submit these existing collections of information to the Office of Management and Budget ("OMB") for extension and approval.

The Public Utility Holding Company Act of 1935 (15 U.S.C. section 79a *et seq.*) requires the filing of an application

and/or declaration on Form U-1 for prior Commission approval both for the issue and sale of a security and its acquisition by a company in a registered holding company system.¹ Section 6(b) provides that the Commission shall exempt from the requirement of filing a declaration on Form U-1, by rules and regulations or orders and subject to such terms and conditions, as it deems appropriate in the public interest or for the protection of investors or consumers, certain security issuances and sales.

Section 6(b) also contains a reporting requirement. It directs the issuer of securities exempted under section 6(b) to file with the Commission within ten days of the issue or sale a certificate of notification and directs the Commission to prescribe the form of and information required in this certificate. Rule 20(d) (17 CFR 250.20d) prescribes Form U-6B-2 as the form of certificate of notification to be filed pursuant to section 6(b). Form U-6B-2 is also prescribed by rule 52(c) (17 CFR 250.52(c)) and rule 47(b) (17 CFR 250.47(b)) as the form of certificate of notification to be filed by a public utility subsidiary company of a registered holding company to notify the Commission of exempt issuances and sales of securities under rule 52 Exemption of Issue and Sale of Certain Securities approved by state commissions and rule 47 Exemption of Public Utility Subsidiaries as to Certain Securities Issued to the Rural Electrification Administration. The Commission receives about 177 Form U-6B-2s per year from 67 respondents who each file once, which imposes an annual burden of about 177 hours.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

¹ See section 6(a) (requiring prior Commission approval under the standards of section 7 for the issue and sale of securities) and section 9(a)(1) (requiring prior Commission approval under the standards of section 10 for the acquisition of securities).

Please direct your written comments to R. Corey Booth, Director/Chief Information Officer, Office of Information Technology, Securities and Exchange Commission, 450 5th Street, NW., Washington, DC 20549.

Dated: March 3, 2004.
