

February 13, 2002, at 2:30 p.m. and 4:30 p.m. respectively. Public comments were received until February 28, 2002. A review of subsequent environmental studies led to FHWA to conclude that an EIS would be required. Budgetary constraints then led Caltrans to temporarily suspend the project.

Major project elements to be evaluated in the EIS include: Replacement of the vertical-lift Schuyler Heim Bridge with a fixed-span bridge; construction of an elevated four-lane expressway to State Route 1; and, potential realignment of surface roads and ramps. The EIS will consider a variety of possible alignments for these improvements, as well as the "no-build" alternative.

Letters describing the re-initiation of studies and soliciting comments will be sent to appropriate Federal, State and local agencies and to private organizations and citizens who have previously expressed, or are known to have, an interest in this proposal.

Additional public scoping and open house meetings for the Draft EIS/EIR will be held at the Wilmington Senior Center located at 1371 Eubank Ave., Wilmington, California 90745. The public meetings will be held on September 9, 2004, at 2:30 p.m. and 5:30 p.m., respectively. In addition, a public hearing will be held following completion of the Draft EIS/EIR. A public notice will be published for the time and place of the hearing. The Draft EIS/EIR will be available for public and agency review and comment prior to the public hearing.

To ensure that the full range of issues related to this proposed action are addressed and all significant issues identified, comments and suggestions are invited from all interested parties. Comments or questions concerning this proposed action and the EIS should be directed to the FHWA at the address provided above.

Title: Direct Rollovers and 20-Percent Withholding Upon Eligible Rollover Distributions From Qualified Plans.

OMB Number: 1545-1341.

Regulation Project Number: EE-43-92.

Abstract: This regulation implements the provisions of the Unemployment Compensation Amendments of 1992 (Pub. These provisions also require qualified pension plans and tax-

sheltered annuities to offer their participants the option to elect to make "direct rollovers" of their distributions and to provide distributees with a written explanation of the tax laws regarding their distributions and their option to elect such a rollover.

Current Actions: There is no change to this existing regulation.
