

agreement with Amcol Realty Co., Inc. (ARC), and to operate approximately 2,250 feet of railroad track formerly known as the Columbia Terminals, beginning at a switch from a line of Consolidated Rail Corporation located along Meadows Track 1 ZTS Zone 17, near Line Code 0204, milepost 4.2, and extending over various lengths of four tracks to their stub ends, in the Town of Kearny, Hudson County, NJ.

NJ Rail certifies that its projected revenues will not exceed those that would qualify it as a Class III rail carrier, and that its projected annual revenues will not exceed \$5 million.

The transaction was due to be consummated on August 14, 2003, the effective date of the exemption (7 days after the exemption was filed). By decision served on August 13, 2003, however, the Board stayed the effective date of the exemption to obtain additional, more specific information on the operations that NJ Rail proposes to conduct. By decision served on January 20, 2004, the Board lifted the stay and allowed the exemption to take effect on the effective date of that decision. The Board is hereby giving notice of the exemption.

If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction.

An original and 10 copies of all pleadings, referring to STB Finance Docket No. 34392, must be filed with the Surface Transportation Board, 1925 K Street NW., Washington, DC 20423-0001. In addition, one copy of each pleading must be served on Fritz R. Kahn, P.C., 1920 N Street, NW., 8th Floor, Washington, DC 20036-1601.

Board decisions and notices are available on our Web site at www.stb.dot.gov.

Decided: January 21, 2004.

By the Board, David M. Konschnik,
Director, Office of Proceedings.

Vernon A. Williams,
Secretary.

SUPPLEMENTARY INFORMATION:

The OCC is proposing to extend OMB approval of the following information collection:

Title: Financial Subsidiaries and Operating Subsidiaries—12 CFR 5.

OMB Number: 1557-0215.

Form Number: None.

Abstract: This submission covers an existing regulation and involves no change to the regulation or to the information collections embodied in the regulation. The OCC requests only that OMB renew its approval of the information collections in the current regulation.

The regulatory requirements regarding this information collection are located as follows:

12 CFR 5.24(d)(2)(ii)(G)—*Conversion:* An institution must identify all subsidiaries that will be retained following the conversion and provide information and analysis of the subsidiaries' activities that would be required if the converting bank or

savings association were a national bank establishing each subsidiary pursuant to 12 CFR 5.34 or 5.39. The OCC will use the information to determine whether to grant the financial institution's request to convert to a national charter.

12 CFR 5.33(e)(3)(i) and (ii)—*Business combinations:* A national bank must identify any subsidiary to be acquired in a business combination and state the activities of each subsidiary. A national bank proposing to acquire, through a business combination, a subsidiary of a depository institution other than a national bank must provide the same information and analysis of the subsidiary's activities that would be required if the applicant were establishing the subsidiary pursuant to 12 CFR 5.34 or 5.39.

The OCC needs this information regarding the subsidiaries to be acquired to determine whether to approve the business combination. The OCC will use this information to confirm that the proposed activity is permissible for a national bank operating subsidiary and to ensure that a bank proposing to conduct activities through a financial subsidiary satisfies relevant statutory criteria.

12 CFR 5.34—*Operating subsidiaries:* A national bank must file a notice or application to acquire or establish an operating subsidiary, or to commence a new activity in an existing operating subsidiary. The application or notice provides the OCC with needed information regarding the activities and location(s) of the operating subsidiaries. The OCC will review the information to determine whether proposed activities are legally permissible, to ensure that the proposal is consistent with safe and sound banking practices and OCC policy, and that it does not endanger the safety and soundness of the parent national banks.

12 CFR 5.35(f)(1) and (2)—*Bank service companies:* Under 12 CFR 5.35(f)(1), a national bank that intends to make an investment in a bank service company, or to perform new activities in an existing bank service company, must submit a notice to and receive prior approval from the OCC.

Under 12 CFR 5.35(f)(2), a national bank that is "well capitalized" and "well managed" may invest in a bank service company, or perform a new activity in an existing bank service company, by providing the appropriate OCC district office written notice within 10 days after the investment, if the bank service company engages only in the activities listed in 12 CFR 5.34(e)(5)(v). The OCC will review after-the-fact notices to confirm the permissibility of

the national bank's investment in the bank service company.

12 CFR 5.36(e)—Other equity investments—Non-controlling investments: A national bank may make a non-controlling investment, directly or through its operating subsidiary, in an enterprise that engages in the activities described in 12 CFR 5.36(e)(2) by filing a written notice. The OCC will use the information provided in the notice to confirm that the national bank is well capitalized and well managed, and that the bank meets the requirements applicable to non-controlling investments.

12 CFR 5.39—*Financial subsidiaries*: A national must file a notice prior to acquiring a financial subsidiary or engaging in activities authorized pursuant to section 5136A(a)(2)(A)(i) of the Revised Statutes (12 U.S.C. 24a) through a financial subsidiary. A national bank that intends, directly or indirectly, to acquire control of, or hold an interest in, a financial subsidiary, or to commence a new activity in an existing financial subsidiary, must obtain OCC approval through the procedures set forth in 12 CFR 5.39(i)(1) and (2). The OCC will review this information to ensure that a proposed interest acquisition satisfies applicable statutory criteria.

Type of Review: Extension, without change, of a currently approved collection.

Affected Public: Businesses or other for-profit.

Estimated Number of Respondents: 607.

Estimated Total Annual Responses: 607.

Frequency of Response: On occasion.

Estimated Total Annual Burden: 607 burden hours.

Comments: Comments submitted in response to this notice will be summarized and included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information has practical utility;

(b) The accuracy of the agency's estimate of the burden of the collection of information;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of the collection on respondents, including through the use of automated collection techniques or other forms of information technology; and
