SUPPLEMENTARY INFORMATION:

Federal Aviation Administration (FAA)

Title: Air Taxi and Commercial
Operator Airport Activity Survey.
Type of Request: Extension of a
currently approved collection.
OMB Control Number: 2120–0067.
Form(s): FAA Form 1800–31.
Affected Public: A total of 4,874
aviation trainers.

Abstract: Enplanement data collected from air taxi and commercial operators are required for the calculation of air carrier airport sponsor apportionments as specified by the Airport Improvement Program (AIP), and 49 U.S.C. Part A, Air Commerce Safety, and Part B, Airport Development and Noise.

Estimated Annual Burden Hours: An estimated 563 hours annually.

Comments are invited on: Whether the proposed collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Department's estimates of the burden of the proposed information collection; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Issued in Washington, DC, on May 24,

Judith D. Street,

FAA Information Collection Clearance Officer, Standards and Information Division, APF–100.

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

Noise Exposure Map Notice; Receipt of Noise Compatibility Program Update And Request for Review; LeHigh Valley International Airport, Allentown, PA

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice.

SUMMARY: The Federal Aviation Administration (FAA) announces its determination that the noise exposure maps submitted by LeHigh-Northampton Airport Authority (LNAA) for LeHigh Valley International Airport (ABE) under the provisions of 49 U.S.C. 47501 et. seq (Aviation Safety and Noise Abatement Act) and 14 CFR Part 150 are in compliance with applicable requirements.

DATES: *Effective Date:* The effective date of the FAA's determination on the noise exposure maps is May 14, 2004.

FOR FURTHER INFORMATION CONTACT: Harrisburg Airports District Office, 3905 Hartzdale Drive, Suite 508, Camp Hill, Pennsylvania 17011 (717) 730–2833.

SUPPLEMENTARY INFORMATION: This notice announces that the FAA finds that the noise exposure maps submitted for ABE are in compliance with applicable requirements of Part 150, effective May 14, 2004. Under 49 U.S.C. 47503 of the Aviation Safety and Noise Abatement Act (hereinafter referred to as "the Act"), an airport operator may submit to the FAA noise exposure maps which meet applicable regulations and which depict non-compatible land uses as of the date of submission of such maps, a description of projected aircraft operations, and the ways in which such operations will affect such maps. The Act requires such maps to be developed in consultation with interested and affected parties in the local community, government agencies, and persons using the airport. An airport operator who has submitted noise exposure maps that are found by FAA to be in compliance with the requirements of Federal Aviation Regulations (FAR) Part 150, promulgated pursuant to the Act, may submit a noise compatibility program for FAA approval which sets forth the measures the operator has taken or proposes to take to reduce existing noncompatible uses and prevent the introduction of additional noncompatible uses.

The FAA has completed its review of the noise exposure maps and accompanying documentation submitted by LNAA. The documentation that constitutes the "noise exposure maps" as defined in section 150.7 of part 150 includes: The NEM graphics (Figure 31, depicting noise contours for the year 2003 "existing conditions" and Figure 32, depicting noise contours for the 2008 forecast conditions) and supporting documentation required by sections 150.21 and A150.101. The supporting documentation includes:

(1) Runway locations, airport boundaries, noise contours, locations of noise-sensitive structures and properties on or eligible for the National Register of Historic Places (Figures 31 and 32, and section 5.1),

(2) Flight tracks (Figures 36 through 45).

(3) Estimates of number of people within the noise contours (section 5.5),

(4) Location of noise monitoring sites (Figure 11 and section 3.2),

(5) Operational assumptions, including fleet mix (section 5.6),

(6) Planned airport development, jurisdictional boundaries, runway end numbers, (Figures 34 and 35, and NEM graphics Figures 31 and 32),

(7) Evidence of consultation required by the regulation (section 6 and

Appendix B).

The FAA has determined that these noise exposure maps and accompanying documentation are in compliance with applicable requirements. This determination is effective on May 14, 2004.

FAA's determination on an airport operator's noise exposure maps is limited to a finding that the maps were developed in accordance with the procedures contained in appendix A of FAR part 150. Such determination does not constitute approval of the applicant's data, information or plans, or a commitment to approve a noise compatibility program or to fund the implementation of that program. If questions arise concerning the precise relationship of specific properties to noise exposure contours depicted on a noise exposure map submitted under section 47503 of the Act, it should be noted that the FAA is not involved in any way in determining the relative locations of specific properties with regard to the depicted noise contours, or in interpreting the noise exposure maps to resolve questions concerning, for example, which properties should be covered by the provisions of section 47506 of the Act. These functions are inseparable from the ultimate land use control and planning responsibilities of local government. These local responsibilities are not changed in any way under part 150 or through FAA's review of noise exposure maps. Therefore, the responsibility for the detailed overlaying of noise exposure contours onto the map depicting properties on the surface rests exclusively with the airport operator that submitted those maps, or with those public agencies and planning agencies with which consultation is required under section 47503 of the Act. The FAA has relied on the certification by the airport operator, under section 150.21 of FAR part 150, that the statutorily required consultation has been accomplished.

Copies of the full noise exposure map documentation and of the FAA's evaluation of the maps are available for examination at the following locations: Federal Aviation Administration, Harrisburg Airports District Office, 3905 Hartzdale Drive, Suite 508, Camp Hill, Pennsylvania, and Lehigh-Northampton Airport Authority, 3311 Airport Road, Allentown, Pennsylvania. Questions may be directed to the location above under the heading FOR FURTHER INFORMATION CONTACT.

Issued in Eastern Region, Harrisburg ADO, May 14, 2004.

Wayne Heibeck,

Manager, Harrisburg Airports District Office. [FR Doc. 04–12179 Filed 5–27–04; 8:45 am] BILLING CODE 4910–13–M

Federal Aviation Administration

Notice of Passenger Facility Charge (PFC) Approvals and Disapprovals

AGENCY: Federal Aviation
Administration (FAA), DOT.
ACTION: Monthly Notice of PFC
Approvals and Disapprovals. In April
2004, there were three applications
approved. This notice also includes
information on four applications, one
approved in May 2001, a second
approved in February 2004, and the
other two approved in March 2004,
inadvertently left off the May 2001,
February 2004, and March 2004 notices,
respectively. Additionally, 18 approved
amendments to previously approved
applications are listed.

SUMMARY: The FAA publishes a monthly notice, as appropriate, of PFC approvals and disapprovals under the provisions of the Aviation Safety and Capacity Expansion Act of 1990 (Title IX of the Omnibus Budget Reconciliation Act of 1990) (Public Law 101–508) and Part 158 of the Federal Aviation Regulations (14 CFR Part 158). This notice is published pursuant to paragraph d of § 158.29.

PFC Applications Approved

Public Agency: City of Midland, Texas.

Application Number: 01–04–C–00–MAF.

Application Type: Impose and use a PFC.

PFC Level: \$3.00.

Total PFC Revenue Approved in this Decision: \$1,493,866.

Earliest Charge Effective Date: July 1, 2016.

Estimated Charge Expiration Date: January 1, 2018.

Class of Air Carriers Not Required to Collect PFC's: None.

Brief Description of Projects Approved for Collection and Use:

Reconstruct north apron and drainage fillets.

Rehabilitate runways and taxiways. Relocate taxiway Z and reconstruction taxiway Z.

Replace aircraft rescue and firefighting facility.

Reconstruct taxiway C–H–P intersection.

Reconstruct south apron.

Acquire two aircraft rescue and firefighting vehicles.

Decision Date: May 23, 2001.

FOR FURTHER INFORMATION CONTACT: G.

Thomas Wade, Southwest Region Airports Division, (817) 222–5613.

Public Agency: Grand Forks Regional Airport Authority, Grand Forks, North Dakota.

Application Number: 04–06–C–00–GFK.

Application Type: Impose and use a PFC.

PFC Level: \$4.50.

Total PFC Revenue Approved in this Decision: \$1,842,016.

Earliest Charge Effective Date: May 1, 2004.

Estimated Charge Expiration Date: April 1, 2008.

Class of Air Carriers Not Required to Collect PFC's: Air taxi/commercial operators filing FAA Form 1800–31.

Determination: Approved. Based on information submitted in the public agency's application, the FAA has determined that the proposed class accounts for less than 1 percent of the total annual enplanements at Grand Forks International Airport.

Brief Description of Projects Approved for Collection and Use:

Ecological study.

Rehabilitate C apron, phases 1 and 2. Rehabilitate runway 17R/35L and

improve runway safety area.

Master plan update.

Security fencing, phases 1 and 2. Acquire land for runway protection zone.

Reconstruct T-hangar taxiway. Reconstruct B apron.

Punyay 251 /17P rejuvenation

Runway 35L/17R rejuvenation.

Passenger terminal area study. Reconstruct A apron.

Rehabilitate entrance road.

Reconstruct U taxiway.

Acquire aircraft rescue and firefighting vehicle.

Snow removal equipment.

Construct rotary wing aircraft parking apron.

Rehabilitation of runway 35R/17L and taxiway C.

Decision Date: February 24, 2004.

FOR FURTHER INFORMATION CONTACT:

Thomas T. Schauer, Bismarck Airports District Office, (701) 323–7380.

Public Agency: City of San Angelo, Texas.

Application Number: 04–05–C–00–SJT.

Application Type: Impose and use a PFC.

PFC Level: \$4.50.

Total PFC Revenue Approved in this Decision: \$335,042.

Earliest Charge Effective Date: August 1, 2004.
Estimated Charge Expiration Date:

Estimated Charge Expiration Date: January 1, 2006.

Class of Air Carriers Not Required to Collect PFC's: Part 135 air taxi/ commercial operators filing FAA Form 1800–31.

Determination: Approved. Based on information submitted in the public agency's application, the FAA has determined that the proposed class accounts for less than 1 percent of the total annual enplanements at San Angelo Regional Airport/Mathis Field.

Brief Description of Projects Approved for Collection and Use:

Acquire 1,500 gallon aircraft rescue and firefighting vehicle.

Rehabilitate runways 9/27 and 3/21. Rehabilitate runway lighting.

Acquire runway 21 runway protection zone land.

Rehabilitate taxiways A, B, C, D, E, F, H and P.

Decision Date: March 24, 2004.

FOR FURTHER INFORMATION CONTACT: G.

Thomas Wade, Southwest Region Airports Division, (817) 222–5613.

Public Agency: Little Rock Municipal Airport Commission, Little Rock, Arkansas.

Application Number: 04–04–U–00–

Application Type: Use PFC revenue. PFC Level: \$4.50.

Total PFC Revenue to be Used in this Decision: \$4,643,300.

Charge Effective Date: September 1, 2001.

Estimated Charge Expiration Date: April 1, 2005.

Class of Air Carriers Not Required To Collect PFC's: No change from previous decision.

Brief Description of Projects Approved for Use:

Runway 4R/22L extension.

Roosevelt Road and Grundfest Drive relocations.

Decision Date: March 29, 2004.

FOR FURTHER INFORMATION CONTACT: G.

Thomas Wade, Southwest Region Airports Division, (817) 222–5613.

Public Agency: Monroe County Board of County Commissioners, Key West, Florida.

Application Number: 04–07–C–00–EYW.

Application Type: Impose and Use a PFC.
