

value of the sales to that importer (or customer). Where an importer (or customer)-specific ad valorem rate was greater than *de minimis*, we will direct CBP to apply the *ad valorem* assessment rates against the entered value of each of the importer's/customer's entries during the review period. Where an importer (or customer)-specific *ad valorem* rate was *de minimis*, we will order CBP to liquidate without regard to antidumping duties. All other entries of the subject merchandise during the POR will be liquidated at the antidumping duty cash deposit rate in place at the time of entry.

#### Cash Deposit Requirements for Administrative Review

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(1) of the Act: (1) the cash deposit rate for Gansu Tongda, Liquan and Binxian is *de minimis*, i.e., less than 0.5 percent. Therefore, a cash deposit of zero will be required for those firms; (2) for previously-reviewed PRC and non-PRC exporters with separate rates, the cash deposit rate will be the company-specific rate established for the most recent period during which they were reviewed; (3) for all other PRC exporters, the rate will be the PRC country-wide rate, which is 51.74 percent; and (4) for all other non-PRC exporters of subject merchandise from the PRC, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that exporter. These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

#### Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

#### Notification Regarding APOs

This notice also serves as a reminder to parties subject to administrative protective orders ("APO") of their

responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this determination and notice in accordance with section 751(a)(1) and 777(i) of the Act.

Dated: November 3, 2004.

##### Certain Steel Concrete Reinforcing Bars From Turkey; Notice of Extension of Time Limits for Preliminary Results in Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** November 10, 2004.

**SUMMARY:** The Department of Commerce is extending the time limits for completion of the preliminary results of the administrative review of the antidumping duty order on certain steel concrete reinforcing bars from Turkey. The period of review is April 1, 2003, through March 31, 2004.

**FOR FURTHER INFORMATION CONTACT:** Irina Itkin or Alice Gibbons at (202) 482-0656 or (202) 482-0498, respectively, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of

Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

#### SUPPLEMENTARY INFORMATION:

##### Background

On May 27, 2004, the Department published a notice of initiation of administrative review of the antidumping duty order on certain steel concrete reinforcing bars from Turkey (69 FR 30282). The period of review is April 1, 2003, through March 31, 2004, and the preliminary results are currently due no later than December 31, 2004. The review covers twenty-three producers/exporters of the subject merchandise to the United States.

##### Extension of Preliminary Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), the Department shall make a preliminary determination in an administrative review of an antidumping order within 245 days after the last day of the anniversary month of the date of publication of the order. The Act further provides, however, that the Department may extend the 245-day period to 365 days if it determines it is not practicable to complete the review within the foregoing time period. We determine that it is not practicable to complete this administrative review within the time limits mandated by section 751(a)(3)(A) of the Act because this review involves a number of complicated issues for certain of the respondents, including the reporting of downstream sales for affiliated resellers. Analysis of these issues requires additional time. Moreover, because one respondent, ICDAS Celik Enerji Tersane ve Ulasim Sanayi, A.S., has requested revocation in this review, we must verify its submitted data pursuant to section 782(i)(2) of the Act. However, we will be unable to complete this verification before the date of the preliminary results as currently scheduled. Therefore, we have extended the deadline for completing the preliminary results until May 2, 2005.

This extension is in accordance with section 751(a)(3)(A) of the Act (19 U.S.C. 1675(a)(3)(A)) and 19 CFR 351.213(h)(2).

Dated: November 4, 2004.
