

KPC further states that due to an inadvertent error and the moving of its office personnel to comply with the Commission's Order 2004 Energy Affiliate Rule, its Regulatory Department did not receive the Commission's notice of the 2004 ACA unit change prior to the September 1, 2004 filing deadline for making such changes to its FERC Gas Tariff. Additionally, KPC states that it believes good cause exists and therefore requests a waiver of the requirements of § 154.207 of the Commission's regulations, and any other waiver that may be necessary, to permit the proposed tariff sheets to be made effective on October 1, 2004.

KPC states that copies of its transmittal letter and appendices have been mailed to all affected customers and interested state commissions.
