

techniques or other forms of information technology; e.g., permitting electronic submission of responses.

This Notice also lists the following information:

Title of Proposal: Memorandum of Agreement (MOA) and Improvement Plan (IP).

OMB Control Number: 2577-0237.

Description of the need for the information and proposed use: A Public Housing Agency (PHA) that is designated troubled or substandard under the Public Housing Assessment System (PHAS) must enter into a Memorandum of Agreement (MOA) with HUD to outline its planned improvements. Similarly, a PHA that is a standard performer, but receives a total PHAS score of less than 70% but not less than 60% is required to submit an Improvement Plan (IP). These plans are designed to address deficiencies in a PHA's operations found through the PHAS assessment process (management, financial, physical, or resident related) and any other deficiencies identified by HUD through independent assessments or other methods.

Agency form number: None.

Members of affected public: Public Housing Agencies.

Estimation of the total number of hours needed to prepare the information collection including number of respondents: 173 respondents for either an MOA or an IP, and either monthly or quarterly reports, 36 hours average response (including reporting), 5,524 hours total reporting burden hours.

Status of the proposed information collection: Extension of currently approved collection.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: June 8, 2004.

Michael M. Liu,

Assistant Secretary for Public and Indian Housing.

BILLING CODE 4210-33-P

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[CA 180-1150 JP]

Notice of Emergency Closure of Public Lands in El Dorado County, CA

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: Notice is hereby given that certain access roads and certain areas

are temporarily closed to all public uses that could result in igniting a wildfire and/or damaging or destroying Federally-listed threatened or endangered plant species. Prohibited activities include, but are not limited to the operation of motorized vehicles or other internal combustion engines, camping, campfires, smoking and fireworks from March 24, 2004, to March 24, 2005. Non-motorized entry during daylight hours will be allowed.

The closed area is portions of the Cameron Park unit of the Pine Hill Preserve, (T10N, R9E, section 34; and T9N, R9E, sections 2 and 3; Mount Diablo Baseline and Meridian). Entry will be restricted during this emergency closure to protect persons, property, public lands and resources.

Closure signs will be posted at main entry points to this area.

DATES: The closure will be in effect between March 24, 2004, and March 24, 2005.

ADDRESSES: Maps of the closure area may be obtained from the Folsom Field Office, 63 Natoma Street, Folsom, California 95630. Phone: (916) 985-4474.

FOR FURTHER INFORMATION CONTACT:

Deane Swickard, Folsom Field Office Manager, 63 Natoma Street, Folsom, California 95630, telephone (916) 985-4474.

SUPPLEMENTARY INFORMATION: Under the authority of 43 CFR 9268.3(d)(1)(1), 43 CFR 8364.1(a) and 43 CFR 8341.2, the Bureau of Land Management will enforce the following rules within the closed area: No operation of motor vehicles or other internal combustion engines, no camping, no smoking, and no ignition of any fire, including campfires or fireworks will be allowed in the closed area. Non-motorized entry during daylight hours will be allowed. Official vehicles, including fire or law enforcement, are exempt from the emergency order.

The authority for this closure is found under section 303(a) of the Federal Land Policy and Management Act of 1976 (43 CFR 8360.0-7). Any person who violates this closure may be tried before a United States Magistrate and fined no more than \$1,000 or imprisoned for no more than 12 months, or both. Such violations may also be subject to the enhanced fines provided for by 18 U.S.C. 8571.

The risk to lives and property in the event of wildfire at the Cameron Park Unit of the Pine Hill Preserve is extreme and justifies emergency action. Fuels are mostly old chaparral, with large amounts of standing dead material. Summer temperatures often exceed 100

degrees Fahrenheit, and relative humidities are consistently low during fire season. Two apparently man-caused fires occurred in the Cameron Park Unit of the Preserve during the summer of 2003. Approximately 110 residences ring the perimeter of the Preserve, as well as several businesses and a courthouse. Within 1500 feet of the Preserve are 890 homes, 125 businesses and 40 medical offices. Home values average \$550,000.

Four plant species that are listed as threatened or endangered under the Endangered Species Act occur at the Cameron Park Unit of the Pine Hill Preserve. Listed as endangered species are Stebbins' morning glory, (*Calystegia stebbinsii*); El Dorado bedstraw, (*Galium californicum sierrae*); and Roderick's ceanothus, (*Ceanothus roderickii*). Listed as threatened is Layne's butterweed, (*Senecio layneae*).

Although two of these species have been shown to respond favorably to fires under certain conditions, a fire that occurs under the wrong conditions, or repeated fires, may negatively impact those species. The effects of fire on the other two species is not known. To conserve these species, unplanned man-caused ignitions must be prevented. The use of motor vehicles, especially non-street legal off-road vehicles, has damaged and killed plants of these listed species at the Cameron Park Unit.

An interagency management plan is being written for the Pine Hill Preserve that will address the issues addressed in this closure. The closure is an interim measure to address these issues until the plan is completed.

Dated: May 3, 2004.

D.K. Swickard,

Folsom Field Office Manager.

BILLING CODE 4310-40-P

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

Notice of Availability

AGENCY: Bureau of Land Management, Interior and U.S. Forest Service, Department of Agriculture (Joint Lead Agencies).

ACTION: Notice of availability.

SUMMARY: Pursuant to the National Environmental Policy Act of 1969, the Federal Land Policy Management Act of 1976 and other regulatory requirements, the Joint Lead Agencies announce the availability of the Northern San Juan Basin Coal Bed Methane Development Project Draft Environmental Impact

Statement (DEIS) for coal bed natural gas development in the northern portion of the San Juan Basin, in La Plata and Archuleta Counties, Colorado. The Joint Lead Agencies have prepared the DEIS to provide agency decision makers and the public with comprehensive environmental impact information on which to base coal bed natural gas development decisions.

DATES: The Joint Lead Agencies will accept written comments on the DEIS for 90 days following the date that the Environmental Protection Agency publishes its notice of availability of the DEIS in the **Federal Register**.

The Joint Lead Agencies will hold public meetings in Durango, Bayfield and Pagosa Springs, Colorado. The times and dates for these meetings will be announced at least 15 days in advance using local media. The Joint Lead Agencies will notify all parties on this project's mailing list of the dates, times and locations of the meetings and of the timeframes for comment submittal.

ADDRESSES: Please address questions, comments or requests for copies of the DEIS to the Northern San Juan Basin CBM EIS, USDA FS Content Analysis Team, P.O. Box 221150, Salt Lake City, Utah 84122. Electronic comment may be submitted to nbasin-cbm-eis@fs.fed.us. The DEIS is also available on the Internet at <http://nsjb-eis.org/>.

DEIS comments, including names and street addresses of respondents, will be available for public review at the San Juan Public Lands Center, 15 Burnett Court, Durango, Colorado, during regular business hours (8 a.m. to 4:30 p.m.), Monday through Friday, except holidays.

Individual respondents may request confidentiality. If you wish to withhold your name or street address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your written comment. Such requests will be honored to the extent allowed by law. Anonymous comments will not be considered. All submissions from organizations or businesses, and from individuals identifying themselves as representatives of officials of organizations or businesses, will be made available for public inspection in their entirety.

FOR FURTHER INFORMATION CONTACT: Walt Brown or Jim Powers at the above address, or phone: (970) 385-1304.

SUPPLEMENTARY INFORMATION: The DEIS analyzes industry's gas field development proposal (approximately three hundred new wells) and six other alternatives in a 125,000-acre Study

Area in the Northern San Juan Basin of Colorado. The Study Area occupies portions of La Plata and Archuleta Counties, and is bounded on the south by the Southern Ute Reservation and on the west, north and east by the arching line of the base of the Pictured Cliffs sandstone.

The Study Area consists of approximately 7,000 acres of BLM administered land, 49,000 acres of U.S. Forest Service administered land, 9,000 acres of private lands with federal minerals and 60,000 acres of state or privately held (fee) lands with non-federal minerals.

Dated: December 19, 2004.

Mark W. Stiles,

BLM Center Manager/U.S.F.S. Forest Supervisor, San Juan Public Lands Center, Durango, Colorado.

Editorial Note: This document was received at the Office of the Federal Register on May 27, 2004.

BILLING CODE 4310-JB-P

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[CA-180-1220 PA]

Notice of a Pilot Study Based on a Scoping Paper To Determine the Feasibility of Commercial Kayak Instruction on the Mokelumne River in Amador and Calaveras County, CA

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: Notice is hereby given that the Bureau of Land Management (BLM), Folsom Field Office is considering a study to determine the feasibility of providing commercial Kayak instruction opportunities on the Mokelumne River, between the Electra powerhouse and the East Bay Municipal Utility District's Take-out facility.

DATES: The study will take place between June 1, 2004 and September 30, 2007.

ADDRESSES: Bureau of Land Management, Folsom Field Office, 63 Natoma Street, Folsom, California, 95630. Phone: (916) 985-4474.

FOR FURTHER INFORMATION CONTACT: Deane Swickard, Folsom Field Office Manager, 63 Natoma Street, Folsom, California 95630, telephone (916) 985-4474.

SUPPLEMENTARY INFORMATION: A pilot study is needed to determine what level, if any, of commercial activity will

satisfy the public's needs and still be commensurate with maintaining resource values on this reach of river.

The study will begin in June of 2004, and could last up to three years. Upon completion of the study, the BLM, Folsom Field Office will prepare an environmental analysis to analyze the various alternatives.

The scoping paper that was developed by the BLM identified the critical issues and concerns, and provides the direction of the pilot study. A copy of this scoping paper may be obtained from the BLM, Folsom Field Office at the address listed above.

The following outfitter has been accepted by the BLM to conduct the pilot study: Current Adventures, P.O. Box 828, Lotus, CA 95651.

The BLM will issue a permit for this study.

The authority for this study can be found under section 303(a) of the Federal Land Policy and Management Act of 1976 (43 CFR 8372.0-3).

Dated: May 5, 2004.

Deane Swickard,

Folsom Field Office Manager.

BILLING CODE 4310-40-P

INTERNATIONAL TRADE COMMISSION

[Inv. No. 337-TA-513]

Certain Electronic Devices, Including Power Adapters, Power Converters, External Batteries and Detachable Tips, Used To Power and/or Charge Mobile Electronic Products, and Components Thereof; Notice of Investigation

AGENCY: International Trade Commission.

ACTION: Institution of investigation pursuant to 19 U.S.C. 1337.

SUMMARY: Notice is hereby given that a complaint was filed with the U.S. International Trade Commission on May 7, 2004, under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, on behalf of Mobility Electronics, Inc. Supplements to the Complaint were filed on May 12 and 13, 2004. The complaint, as supplemented, alleges violations of section 337 in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain electronic devices, including power adapters, power converters, external batteries and detachable tips, used to power and/or charge mobile electronic products, and components
