Time Limits:

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department of Commerce (the Department) to complete the final results of an administrative review within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to 180 days (or 300 days if the Department does not extend the time limit for the preliminary results) from the date of publication of the preliminary results.

Background

Eurodif S.A. (Eurodif), a French producer of subject merchandise, and its affiliated parties Compagnie Générale Des Matières Nucléaires (COGEMA) and COGEMA, Inc. (collectively, COGEMA/Eurodif), requested an administrative review of the antidumping order on low enriched uranium from France on February 3, 2003. United States Enrichment Corporation and USEC, Inc. (the petitioner), a domestic producer of subject merchandise, requested a review on February 28, 2003. On March 25, 2003, the Department published a notice of initiation of the administrative review, covering the period July 13, 2001, through January 31, 2003 (*Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 68 FR 14394). On October 27, 2003, and December 16, 2003, the Department published notices extending the time limit for the preliminary results (*Extension of the Time Limit for the Preliminary Results of Antidumping Duty Administrative Review*, 68 FR 61184 and 68 FR 69994, respectively). On January 27, 2004, the Department published the preliminary results of its review, (*Notice of Preliminary Results of Antidumping Duty Administrative Review: Low Enriched Uranium from France*, 69 FR 3883) The final results of this review are currently due no later than May 26, 2004.

Extension of Time Limit for the Final Results of Review

This review involves complex and novel issues, such as the proper treatment of commingled merchandise, the application of the major input rule, and the appropriateness of deducting from constructed export price (CEP) an amount for countervailing duty cash

deposits. In addition, the Department needs additional time to consider the arguments raised by the parties after the preliminary results of review. For these reasons, the Department has determined that it is not practicable to complete the final results within the original time limit. Therefore, the Department is extending the time limit for completion of the final results until no later than July 26, 2004.

This extension is in accordance with section 751(a)(3)(A) of the Act.

Dated: March 25, 2004.

Acting Deputy Assistant Secretary for AD/CVD Enforcement II.

Certain Small Diameter Carbon and Alloy Seamless Standard, Line, and Pressure Pipe From Romania: Extension of the Time Limit for the Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 31, 2004.

FOR FURTHER INFORMATION CONTACT: Charles Riggle at (202) 482-0650 or Martin Claessens at (202) 482-5451, Office of AD/CVD Enforcement 5, Group II, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

Time Limits:

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department of Commerce (the Department) to complete the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order/finding for which a review is requested and the final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days after the last day of the anniversary month of an order/finding for which a review is requested, and for

the final results to 180 days (or 300 days if the Department does not extend the time limit for the preliminary results) from the date of publication of the preliminary results.

Background

On August 1, 2003, the Department published a notice of opportunity to request an administrative review of this order. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 68 FR 45218 (August 1, 2003). On August 29, 2003, in accordance with 19 CFR 351.213(b)(2), S.C. Silcotub S.A. (Silcotub), a Romanian producer/exporter of subject merchandise, requested a review. In addition, in accordance with 19 CFR 351.222(e), Silcotub requested that the Department revoke the order with regard to Silcotub, pursuant to 19 CFR 351.222(b). On September 2, 2003, United States Steel Corporation, a domestic interested party, requested reviews of Silcotub and S.C. Petrotub S.A., producers/exporters of certain small diameter carbon and alloy seamless, standard line and pressure pipe from Romania.

On September 30, 2003, the Department published a notice of initiation of administrative review of the antidumping duty order on certain small diameter carbon and alloy seamless standard, line and pressure pipe from Romania, covering the period August 1, 2002 through July 31, 2003 (68 FR 56262). The preliminary results are currently due no later than May 3, 2004.

Extension of Time Limit for Preliminary Results of Review

We determine that it is not practicable to complete the preliminary results of this review within the original time limit due to the complex nature of this review. Specifically, on March 10, 2003, the Department reclassified Romania as a market economy effective January 1, 2003, for the purposes of antidumping and countervailing duty proceedings. Because this review covers the period August 1, 2002 through July 31, 2003, the Department has determined to conduct a simultaneous split review, applying its non-market economy methodology to the period August 1 through December 31, 2003, and its market economy methodology from January 1 through July 31, 2003. Accordingly, the Department is analyzing two separate sets of questionnaire responses and calculating dumping margins for two separate periods and expects to calculate a

single, weighted-average margin for the full 12-month review period.

Therefore, the Department is extending the time limit for completion of the preliminary results by 90 days, until August 2, 2004. We intend to issue the final results no later than 120 days after publication of the preliminary results notice.

Dated: March 25, 2004.

Holly A. Kuga,

Acting Deputy Assistant Secretary for AD/CVD Enforcement Group II.

Structural Steel Beams From Korea: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of extension of time limit for the preliminary results of antidumping duty administrative review.

SUMMARY: The Department of Commerce ("the Department") is extending the time limit for the preliminary results of the antidumping duty administrative review of structural steel beams ("SSB") from Korea.

EFFECTIVE DATE: March 31, 2004.

FOR FURTHER INFORMATION CONTACT: Aishe Allen, AD/CVD Enforcement Group III, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-0172.

Background

On August 1, 2003, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on SSB from Korea. See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 68 FR 45218 (August 1, 2003). On August 29, 2003, petitioners¹ requested that the Department conduct an administrative review of Dongkuk Steel Mill Co., Ltd. ("DSM") and INI Steel Company ("INI"), which are Korean producers of

subject merchandise. Also, on August 29, 2003, DSM requested that the Department conduct an administrative review of their sales of subject merchandise during the period of review ("POR"). On September 30, 2003, the Department published a notice of initiation of a review of SSB from Korea covering the period August 1, 2001 through July 31, 2002. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 68 FR 56262 (September 30, 2003). The Department's preliminary results are currently due on May 2, 2004.

Extension of Time Limit for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), and section 351.213(h)(2) of the Department's regulations, state that if it is not practicable to complete the review within the time specified, the administering authority may extend the 245-day period to issue its preliminary results by up to 120 days. Completion of the preliminary results of this review within the 245-day period is not practicable because the review involves affiliation issues, and a large number of transactions for each company (*i.e.*, DSM and INI). Additionally, the Department is investigating sales and cost for both companies which require the Department to gather and analyze a significant amount of information pertaining to each company's sales practices, manufacturing costs and corporate relationships.

Therefore, in accordance with section 751(a)(3)(A) of the Act, and section 351.213(h)(2) of the Department's regulations, the Department is extending the time period for issuing the preliminary results of review by 120 days until August 30, 2004. The final results continue to be due 120 days after the publication of the preliminary results.

This notice is issued and published in accordance with section 751(a)(3)(A) of the Act, and section 351.213(h)(2) of the Department's regulations.

Dated: March 25, 2004.

Joseph A. Spetrini,

Deputy Assistant Secretary for Import Administration, Group III.
