It requested quota- and duty-free treatment under the ATPDEA for apparel articles that contain lace fabrics of such yarns that are sewn or otherwise assembled in one or more ATPDEA beneficiary countries.

On March 15, 2006, CITA requested public comments on the petition. See *Request for Public Comments on Commercial Availability Petition Under ATPDEA*, 71 FR 13360 (Mar. 15, 2006).

On March 31, 2006, CITA and the Office of the U.S. Trade Representative (USTR) sent memoranda seeking the advice of the Industry Trade Advisory Committees (ITAC) for Textiles and Clothing and for Distribution Services. No advice was received from either ITAC. On March 31, 2006, CITA and the USTR offered to hold consultations with the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate (collectively, the Congressional Committees). USTR requested the advice of the U.S. International Trade Commission (ITC) on the probable economic effects on the domestic industry of granting the request. On April 20, 2006, the ITC provided advice on the petition.

Based on the information and advice received and its understanding of the industry, CITA determined that the yarns set forth in the petition cannot be supplied by the domestic industry in commercial quantities in a timely manner. On May 8, 2006, CITA and USTR submitted a report to the Congressional Committees that set forth the action proposed, the reasons for such action, and the advice obtained. A period of 60 calendar days since this report was submitted has expired.

CITA hereby designates as eligible to enter free of quotas and duties under HTSUS subheading 9821.11.10, apparel articles containing lace fabrics of such yarns, of the specifications detailed above, that are sewn or otherwise assembled in one or more eligible ATPDEA beneficiary countries. Apparel article containing lace fabrics of such yarns shall be eligible to enter free of quotas and duties under this subheading, provided all other yarns used in the apparel articles are U.S. formed and all other fabrics used in the apparel articles are U.S. formed from yarns wholly formed in the United States, including fabrics not formed from yarns, if such yarns are classifiable under HTSUS heading 5602 or 5603, and are wholly formed in the United States, subject to the special rules for findings and trimmings, certain interlinings and de minimis fibers and yarns under section 204(b)(3)(B)(vi) of the ATPDEA, and that such articles are imported directly into the customs territory of the United States from an eligible ATPDEA beneficiary country.

An "eligible ATPDEA beneficiary country" means a country which the President has designated as an ATPDEA beneficiary country under section 203(a)(1) of the Andean Trade Preference Act (ATPA) (19 U.S.C. 3202(a)(1)), and which has been the subject of a finding, published in the

Federal Register, that the country has satisfied the requirements of section 203(c) and (d) of the ATPA (19 U.S.C. 3202(c) and (d)), resulting in the enumeration of such country in U.S. note 1 to subchapter XXI of Chapter 98 of the HTSUS.

SUPPLEMENTARY INFORMATION:

Background

On January 12, 2006, we published a notice in the **Federal Register** (71 FR 2027) announcing the initial availability of funds and application deadline for assistance under the Emergency Impact Aid program. The notice included a number of application requirements regarding deadlines and student enrollment data and also indicated that all SEAs, LEAs, and Bureau of Indian Affairs (BIA)-funded schools must

obligate all funds received under section 107 of the Hurricane Education Recovery Act by July 31, 2006.

On June 15, 2006, the President signed H.R. 4939, the Emergency Supplemental Appropriations Act for Defense, the Global War on Terror, and Hurricane Recovery, 2006, Public Law 109-234. This law made an additional \$235,000,000 available for the Emergency Impact Aid program and provided us with the authority to extend the obligation period for the use of the new and initial section 107 funds until September 30, 2006. The Secretary is granting this extension to all SEA grantees and LEA or BIA-funded school subgrantees that find it necessary to use it, provided that all section 107 funds are used only for expenses incurred during the 2005-2006 school year. We strongly encourage all entities to make their best effort to complete all obligations in advance of the September 30 date to avoid the lapse of these funds. This action does not change any of the other requirements included in the initial January 12, 2006, notice published in the **Federal Register** or in the program guidance.
