Public Notice for Waiver of Aeronautical Land-Use Assurance, Cambridge Municipal Airport, Cambridge, OH

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice of intent of waiver with respect to land.

SUMMARY: The Federal Aviation Administration (FAA) is considering a proposal to change a portion of the airport from aeronautical use to non-aeronautical use and to authorize the release 4.105 acres of vacant airport property for an exchange of property between the Cambridge Area Regional Airport Authority and Dunning Investment Company, Ltd. The land was conveyed to the Cambridge Area Regional Airport Authority in Deed Volume 364, page 656 of the Recorder's Office, Guernsey County, Ohio. The land was acquired under FAA Project No. 3-39-0013-0303. There are no impacts to the airport by allowing the airport to dispose of the property. Approval does not constitute a commitment by the FAA to financially assist in the disposal of the subject airport property nor a determination of eligibility for grant-in-aid funding from the FAA. In exchange, the Cambridge Regional Airport Authority will receive a parcel of land adjacent to Cambridge Municipal Airport. This parcel is necessary to meet design standards for future airport development as indicated on the Airport Layout Plan for Cambridge Municipal Airport.

In accordance with section 47107(h) of title 49, United States Code, this notice is required to be published in the **Federal Register** 30 days before modifying the land-use assurance that requires the property to be used for an aeronautical purpose.
