Advisory Committee on Interdisciplinary, Community-Based Linkages; Notice of Meeting

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92–463), notice is hereby given of the following meeting:

Name: Advisory Committee on Interdisciplinary, Community-Based Linkages (ACICBL).

Dates and Times: (Face-to-face meeting). July 24, 2006, 8:30 a.m. to 5 p.m. July 25, 2006, 8:30 a.m. to 3 p.m.

Place: Doubletree Hotel, 1750 Rockville Pike, Rockville, MD 20852, Telephone: 301–468–1100.

Status: The meeting will be open to the public.

Purpose: The Committee will be focusing on interdisciplinary training and education, specifically examining evidence-based models/research as regards interdisciplinary training. In addition, the Committee will be looking at the potential impact of interdisciplinary training programs on health service delivery networks including how such training programs address the needs of

various underserved populations. Included in the meeting will be discussions of community-based training initiatives. The meeting will allow the Committee to formulate appropriate recommendations for the Secretary and Congress regarding interdisciplinary training, and community-based training.

Agenda: The agenda includes an overview of the Committee’s general business activities. The Committee will hear presentations from experts on interdisciplinary training and community-based training, and will discuss best practices to formulate recommendations for the Secretary and the Congress.

Agenda items are subject to change as priorities indicate.

Supplementary Information: This meeting notice is delayed due to the resolution of fiscal year 2006 budget issues and the status of Committee membership.

For Further Information Contact: Anyone requesting information regarding the Committee should contact Lou Coccodrilli, Federal Official for the ACICBL, and Acting Director of the Division of State, Community & Public Health, Bureau of Health Professions, Health Resources and Services Administration, 5600 Fishers Lane, Maryland 20857; Telephone (301) 443–7774.

Dated: July 17, 2006.

Cheryl R. Dammons,

Director, Division of Policy Review and Coordination.

National Institutes of Health

National Institute of Environmental Health Sciences; Division of Extramural Research and Training; Submission for OMB Review; Comment Request; Hazardous Waste Worker Training

Summary: Under the provisions of section 3507(a)(1)(D) of the Paperwork Reduction Act of 1995, the National Institute of Environmental Health Sciences (NIEHS), the National Institutes of Health (NIH) has submitted to the Office of Management and Budget (OMB) a request to review and approve the information collection listed below. This proposed information collection was previously published in the **Federal Register** on April 5, 2006, page 17119, and allowed 60 days for public

comment. No public comments were received. The purpose of this notice is to allow an additional 30 days for public comment. The National Institutes of Health may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

Proposed Collection: Title: Hazardous Waste Worker Training—42 CFR Part 65. *Type of Information Collection Request:* Revision of OMB No. 0925–0348, expiration date August 31, 2006. *Need and Use of Information Collection:* This request for OMB review and approval of the information collection is required by regulation 42 CFR part 65(a)(6). The National Institute of Environmental Health Sciences (NIEHS) has been given major responsibility for initiating a worker safety and health training program under section 126 of the Superfund Amendments and Reauthorization Act of 1986 (SARA) for hazardous waste workers and emergency responders. A network of non-profit organizations that are committed to protecting workers and their communities by delivering high-quality, peer-reviewed safety and health curricula to target populations of hazardous waste workers and emergency responders has been developed. In seventeen years (FY 1987–2004), the NIEHS Worker Training program has successfully supported 20 primary grantees that have trained more than 1.3 million workers across the country and presented over 69,000 classroom and hands-on training courses, which have accounted for nearly 18 million contact hours of actual training. Generally, the grant will initially be for one year, and subsequent continuation awards are also for one year at a time. Grantees must submit a separate application to have the support continued for each subsequent year. Grantees are to provide information in accordance with S65.4(a), (b), (c) and 65.6(b) on the nature, duration, and purpose of the training, selection criteria for trainees’ qualifications and competency of the project director and staff, cooperative agreements in the case of joint applications, the adequacy of training plans and resources, including budget and curriculum, and response to
