

**ACTION:** Notice; affirmative finding renewal.

**SUMMARY:** The Assistant Administrator for Fisheries, NMFS, (Assistant Administrator) has renewed the affirmative finding for the Republic of El Salvador under the Marine Mammal Protection Act (MMPA). This affirmative finding will allow yellowfin tuna harvested in the Eastern Tropical Pacific Ocean (ETP) in compliance with the International Dolphin Conservation Program (IDCP) by purse seine fishing vessels flying the flag of El Salvador or purse seine fishing vessels operating under the jurisdiction of El Salvador to be imported into the United States. The affirmative finding was based on review of documentary evidence submitted by the Republic of El Salvador and obtained from the Inter-American Tropical Tuna Commission (IATTC) and the U.S. Department of State.

**DATES:** The renewal is effective from April 1, 2006, through March 31, 2007.

**FOR FURTHER INFORMATION CONTACT:**

Rodney McInnis, Regional Administrator, Southwest Region, NMFS, 501 West Ocean Boulevard, Suite 4200, Long Beach, CA 90802-4213; phone 562-980-4000; fax 562-980-4018.

**SUPPLEMENTARY INFORMATION:** The MMPA, 16 U.S.C. 1361 *et seq.*, allows the entry into the United States of yellowfin tuna harvested by purse seine vessels in the ETP under certain conditions. If requested by the harvesting nation, the Assistant Administrator will determine whether to make an affirmative finding based upon documentary evidence provided by the Government of the harvesting nation, the IATTC, or the Department of State.

The affirmative finding process requires that the harvesting nation is meeting its obligations under the IDCP and obligations of membership in the IATTC. Every 5 years, the Government of the harvesting nation must request an affirmative finding and submit the required documentary evidence directly to the Assistant Administrator. On an annual basis, NMFS will review the affirmative finding and determine whether the harvesting nation continues to meet the requirements. A nation may provide information related to compliance with IDCP and IATTC measures directly to NMFS on an annual basis or may authorize the IATTC to release the information to NMFS to annually renew an affirmative finding determination without an application from the harvesting nation.

An affirmative finding will be terminated, in consultation with the Secretary of State, if the Assistant Administrator determines that the requirements of 50 CFR 216.24(f) are no longer being met or that a nation is consistently failing to take enforcement actions on violations, thereby diminishing the effectiveness of the IDCP.

As a part of the affirmative finding process set forth in 50 CFR 216.24(f), the Assistant Administrator considered documentary evidence submitted by the Republic of El Salvador or obtained from the IATTC and the Department of State and has determined that El Salvador has met the MMPA's requirements to receive an annual affirmative finding renewal.

After consultation with the Department of State, the Assistant Administrator issued the Republic of El Salvador's annual affirmative finding renewal, allowing the continued importation into the United States of yellowfin tuna and products derived from yellowfin tuna harvested in the ETP by El Salvadorian-flag purse seine vessels or purse seine vessels operating under El Salvadorian jurisdiction. El Salvador's affirmative finding will remain valid through March 31, 2007, subject to subsequent annual reviews by NMFS.

Dated: July 14, 2006.

**Samuel D. Rauch, III,**

*Deputy Assistant Administrator for Regulatory Programs, National Marine Fisheries Service.*

## COMMITTEE FOR THE IMPLEMENTATION OF TEXTILE AGREEMENTS

### Designation under the Textile and Apparel Commercial Availability Provisions of the Andean Trade Promotion and Drug Eradication Act (ATPDEA)

July 17, 2006.

**AGENCY:** The Committee for the Implementation of Textile Agreements (CITA)

**ACTION:** Designation

**EFFECTIVE DATE:** July 20, 2006

**SUMMARY:** The Committee for the Implementation of Textile Agreements (CITA) has determined that certain polyester and nylon yarns, of the specifications detailed below, classified in subheadings 5402.31.6000, 5402.62.0000, and 5605.00.1000 of the

Harmonized Tariff Schedule of the United States (HTSUS), cannot be supplied by the domestic industry in commercial quantities in a timely manner. CITA hereby designates apparel articles containing lace fabrics of such yarns, that are sewn or otherwise assembled in one or more eligible ATPDEA beneficiary countries from such fabrics, as eligible for quota free and duty free treatment under the textile and apparel commercial availability provisions of the ATPDEA and eligible under HTSUS subheading 9821.11.10, provided that all other fabrics in the apparel articles are wholly formed in the United States from yarns wholly formed in the United States, including fabrics not formed from yarns, if such yarns are classifiable under HTSUS heading 5602 or 5603, and are wholly formed in the United States. CITA notes that this designation under the ATPDEA renders apparel articles containing lace fabrics of such yarn, sewn or otherwise assembled in an eligible ATPDEA beneficiary country, as eligible for quota-free and duty-free treatment under HTSUS subheading 9821.11.13, provided the requirements of that subheading are met.

**FOR FURTHER INFORMATION CONTACT:**

Maria K. Dybczak, Office of Textiles and Apparel, U.S. Department of Commerce, (202) 482 3400.

**SUPPLEMENTARY INFORMATION:**

**Authority:** Section 204 (b)(3)(B)(ii) of the ATPDEA, Presidential Proclamation 7616 of October 31, 2002, Executive Order 13277 of November 19, 2002, and the United States Trade Representative's Notice of Further Assignment of Functions of November 25, 2002.

**Background:**

The ATPDEA provides for duty-free treatment for qualifying textile and apparel products. Such treatment is generally limited to products manufactured from yarns and fabrics formed in the United States or a beneficiary country. The ATPDEA also provides for quota- and duty-free treatment for apparel articles that are both cut (or knit-to-shape) and sewn or otherwise assembled in one or more beneficiary countries from fabric or yarn that is not formed in the United States, if it has been determined that such fabric or yarn cannot be supplied by the domestic industry in commercial quantities in a timely manner. In Executive Order No. 13191 (66 FR 7271) and pursuant to Executive Order No. 13277 (67 FR 70305) and the United States Trade Representative's Notice of Redlegation of Authority and Further Assignment of Functions (67 FR 71606), the President delegated to CITA the

authority to determine whether yarns or fabrics cannot be supplied by the domestic industry in commercial quantities in a timely manner under the ATPDEA. On March 6, 2001, CITA published procedures that it will follow in considering requests (66 FR 13502).

On March 9, 2006, the Chairman of CITA received a petition from Encajes, S.A. Colombia, alleging that certain polyester and nylon yarns, as described below, cannot be supplied by the domestic industry in commercial quantities in a timely manner. It requested quota- and duty-free treatment under the ATPDEA for apparel articles that contain lace fabrics of such yarns that are sewn or otherwise assembled in one or more ATPDEA beneficiary countries.

### Specifications:

1. Mamilon Metallic Yarn,  
G-100 1/69  
HTSUS subheading: 5605.00.1000  
Fiber Content: 100% Metallic Covered  
in Polyester  
Cut: Flat  
Color: Silver and Gold  
Yarn Size: Silver- 115 denier;  
Gold - 126 denier  
Yarn Type: Flat, non-textured  
Yarn width: 25 microns
2. Cationic Polyester BR  
305f96, 120 Ts (Rigid  
Poly)  
HTSUS subheading: 5402.62.0000  
Fiber Content: 100% Cationic Poly-  
ester  
Cut: Trilobal  
Color: Bright  
Yarn Type: Flat, non-textured  
Yarn Size: 305 decitex, 96 fila-  
ments with 120  
twists in "S" by  
meter
3. Cationic Polyester Bright  
Flat 2/78F48 dtex at 120  
Ts  
HTSUS subheading: 5402.62.0000  
Fiber Content: 100% Cationic Poly-  
ester  
Cut: Trilobal  
Color: Bright  
Yarn Type: Flat, non-textured  
Yarn Size: 78 decitex, 48 fila-  
ments, plied, with  
120 twists in "S" by  
meter
4. Tactel Bright  
HTSUS subheading: 5402.31.6000  
Fiber Content: 100% Polyamide 6.6  
High Tenacity Nylon  
Cut: Trilobal  
Color: Bright  
Yarn Type: Textured  
Yarn Size: 312 decitex, 102 fila-  
ments, plied, with  
450 twists in "S" by  
meter

On March 15, 2006, CITA requested public comments on the petition. See *Request for Public Comments on Commercial Availability Petition Under ATPDEA*, 71 FR 13360 (Mar. 15, 2006).

On March 31, 2006, CITA and the Office of the U.S. Trade Representative (USTR) sent memoranda seeking the advice of the Industry Trade Advisory Committees (ITAC) for Textiles and Clothing and for Distribution Services. No advice was received from either ITAC. On March 31, 2006, CITA and the USTR offered to hold consultations with the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate (collectively, the Congressional Committees). USTR requested the advice of the U.S. International Trade Commission (ITC) on the probable economic effects on the domestic industry of granting the request. On April 20, 2006, the ITC provided advice on the petition.

Based on the information and advice received and its understanding of the industry, CITA determined that the yarns set forth in the petition cannot be supplied by the domestic industry in commercial quantities in a timely manner. On May 8, 2006, CITA and USTR submitted a report to the Congressional Committees that set forth the action proposed, the reasons for such action, and the advice obtained. A period of 60 calendar days since this report was submitted has expired.

CITA hereby designates as eligible to enter free of quotas and duties under HTSUS subheading 9821.11.10, apparel articles containing lace fabrics of such yarns, of the specifications detailed above, that are sewn or otherwise assembled in one or more eligible ATPDEA beneficiary countries. Apparel article containing lace fabrics of such yarns shall be eligible to enter free of quotas and duties under this subheading, provided all other yarns used in the apparel articles are U.S. formed and all other fabrics used in the apparel articles are U.S. formed from yarns wholly formed in the United States, including fabrics not formed from yarns, if such yarns are classifiable under HTSUS heading 5602 or 5603, and are wholly formed in the United States, subject to the special rules for findings and trimmings, certain interlinings and de minimis fibers and yarns under section 204(b)(3)(B)(vi) of the ATPDEA, and that such articles are imported directly into the customs territory of the United States from an eligible ATPDEA beneficiary country.

An "eligible ATPDEA beneficiary country" means a country which the President has designated as an ATPDEA beneficiary country under section 203(a)(1) of the Andean Trade Preference Act (ATPA) (19 U.S.C. 3202(a)(1)), and which has been the subject of a finding, published in the

**Federal Register**, that the country has satisfied the requirements of section 203(c) and (d) of the ATPA (19 U.S.C. 3202(c) and (d)), resulting in the enumeration of such country in U.S. note 1 to subchapter XXI of Chapter 98 of the HTSUS.

## DEPARTMENT OF DEFENSE

### Department of the Army

#### Intent To Grant an Exclusive License of a U.S. Government-Owned Patent Application

**AGENCY:** Department of the Army, DoD.

**ACTION:** Notice.

**SUMMARY:** In accordance with 35 U.S.C. 209(e) and 37 CFR 404.7(a)(I)(i), announcement is made of the intent to grant an exclusive, royalty-bearing, revocable license to U.S. patent application number 11/238,155 filed September 28, 2005 entitled "MVA Expressing Modified HIV envelope, gag, and pol Genes," and foreign rights to Henry M. Jackson Foundation for the Advancement of Military Medicine with its principal place of business at 1401 Rockville Pike, Suite 600, Rockville, MD 20852. This invention is jointly owned by the Henry M. Jackson Foundation for the Advancement of Military Medicine, the National Institutes of Health, and the U.S. Army.

**ADDRESSES:** Commander, U.S. Army Medical Research and Materiel Command, ATTN: Command Judge Advocate, MCMR-JA, 504 Scott Street, Fort Detrick, Frederick, MD 21702-5012.

**FOR FURTHER INFORMATION CONTACT:** For patent issues, Ms. Elizabeth Arwine, Patent Attorney, (301) 619-7808. For licensing issues, Dr. Paul Mele, Office of Research & Technology Assessment, (301) 619-6664, both at telefax (301) 619-5034.

**SUPPLEMENTARY INFORMATION:** Anyone wishing to object to the grant of this license can file written objections along with supporting evidence, if any, within 15 days from the date of this publication. Written objections are to be
