

the PRC NME entity will continue to be the PRC-wide rate (*i.e.*, 43.32 percent); and (5) the cash deposit rate for non-PRC exporters of subject merchandise from the PRC will be the rate applicable to the PRC producer that supplied the exporter.

These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

Notification to Interested Parties

This notice serves as the final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and in the subsequent assessment of double antidumping duties.

This notice also serves as the only reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return/destruction or conversion to judicial protective order of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Failure to comply is a violation of the APO.

These results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: November 6, 2006.

David M. Spooner,
Assistant Secretary for Import Administration.

Folding Metal Tables and Chairs from the People's Republic of China: Notice of Extension of Time Limit for the Final Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: November 14, 2006.

FOR FURTHER INFORMATION CONTACT: Laurel LaCivita or Matthew Quigley, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-4243 or (202) 482-4551, respectively.

SUPPLEMENTARY INFORMATION:

Background

On July 21, 2005, the Department of Commerce ("the Department") published the initiation of the administrative review of the antidumping duty order on folding metal tables and chairs from the People's Republic of China ("PRC"). See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 70 FR 42028 (July 21, 2005). On July 10, 2006, the Department published the preliminary results. See *Folding Metal Tables and Chairs from the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review*, 71 FR 38852 (July 10, 2006). This review covers the

period June 1, 2004, through May 31, 2005. The final results are currently due by November 7, 2006.

Extension of Time Limit for Final Results of Review

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), the Department shall make a final determination in an administrative review of an antidumping duty order within 120 days after the date on which the preliminary determination is published. The Act further provides, however, that the Department may extend that 120-day period to 180 days if it determines it is not practicable to complete the review within the foregoing time period.

The Department finds that it is not practicable to complete the final results of the administrative review of folding metal tables and chairs from the PRC within the 120-day period due to complex issues the parties have raised regarding the proper treatment of certain U.S. transactions. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for completion of the final results of this review to 144 days until December 1, 2006.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: November 3, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.
