Vol. 71, No. 88

Monday, May 8, 2006

This section of the FEDERAL REGISTER contains documents other than rules or proposed rules that are applicable to the public. Notices of hearings and investigations, committee meetings, agency decisions and rulings, delegations of authority, filing of petitions and applications and agency statements of organization and functions are examples of documents appearing in this section.

AGENCY FOR INTERNATIONAL DEVELOPMENT

Notice of Public Information Collections Being Reviewed by the U.S. Agency for International Development; Comments Requested

SUMMARY: U.S. Agency for International Development (USAID) is making efforts to reduce the paperwork burden. USAID invites the general public and other Federal agencies to take this opportunity to comment on the following proposed and/or continuing information collections, as required by the Paperwork Reduction Act for 1995. Comments are requested concerning: (a) Whether the proposed or continuing collections of information are necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the burden estimates; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Submit comments on or before July 7, 2006.

FOR FURTHER INFORMATION CONTACT: Beverly Johnson, Bureau for Management, Office of Administrative Services, Information and Records Division, U.S. Agency for International Development, Room 2.07-106, RRB, Washington, DC 20523, (202) 712-1365 or via e-mail bjohnson@usaid.gov.

SUPPLEMENTARY INFORMATION:

OMB No.: OMB 0412-0566.

Form No.: AID 200-1.

Title: PVO Classification Form.

Type of Review: Reinstatement.

Purpose: The U.S. Agency for International Development (USAID) requires all private voluntary organizations (PVOs) that wish to be

eligible to compete for most forms of foreign economic assistance administered by USAID to register with the Agency. Registration provides a resource for USAID officials to access financial and program information on PVOs. The PVO Registry is a central clearinghouse for information on PVOs working in countries where elsewhere the U.S. Government would not have knowledge of the activities.

To confirm the data is collected in a formalized and consistent manner, USAID has developed the Classification Form's list of sectors and countries that will show where qualified and interested PVOs registered with USAID are working.

Annual Reporting Burden:

Respondents: 594.

Total annual responses: 594.

Total annual hours requested: 132 hours.

Dated: April 25, 2006.

Joanne Paskar,

Chief, Information and Records Division,
Office of Administrative Services, Bureau for
Management.
