Customs Clearance Requirements of Foreign Missions and Freight Forwarders

AGENCY: Department of State.

ACTION: Notice.

SUMMARY: The Department of State has determined, under the Foreign Missions Act, that any shipment sent from abroad to any foreign diplomatic or consular mission, or its personnel must be cleared by U.S. Customs and Border

This decision makes it unlawful for any person or entity (*i.e.* freight forwarders) to assist foreign missions in clearing shipments through customs by any other means. It clearly states that private entities as well as foreign missions are required to comply with the Department of State's diplomatic customs clearance procedure and it is the intended effect of this rule to increase such compliance.

DEPARTMENT OF STATE

[Public Notice 5381]

Bureau of Educational and Cultural Affairs (ECA); Request for Grant Proposals: Exchange Program for School Principals From Bolivia, Ecuador and Venezuela

Announcement Type: Cooperative Agreement.

Funding Opportunity Number: ECA/A/S/X-06-10.

Catalog of Federal Domestic Assistance Number: 00.000.

Key Dates: Application Deadline: June 1, 2006.

Executive Summary: The Fulbright Teacher Exchange Branch in the Office of Global Educational Programs of the Bureau of Educational and Cultural Affairs (ECA) announces an open competition for an assistance award program to support an exchange

program for school principals from Bolivia, Ecuador and Venezuela. Applications may be submitted by U.S. organizations meeting the provisions described in Internal Revenue Code section 26 U.S.C. 501(c)(3). The program will provide an intensive three-week U.S. professional development program for 6-7 qualified secondary school principals from each of the respective countries. The participants will not have visited the U.S. previously and will not speak English; therefore translation should be provided throughout the program.

I. Funding Opportunity Description

I.1. Authority

Overall grant making authority for this program is contained in the Mutual Educational and Cultural Exchange Act of 1961, Public Law 87-256, as amended, also known as the Fulbright-Hays Act. The purpose of the Act is "to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries * * *; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations * * * and thus to assist in the development of friendly, sympathetic and peaceful relations between the United States and the other countries of the world." The funding authority for the program above is provided through legislation.

I.2. Purpose

The purpose of the program is to support professional development and regional interaction among principals from Bolivia, Ecuador, and Venezuela so as to strengthen the education systems in their respective countries. Through close collaboration with U.S. educators on topics of leadership, school administration and civic engagement, the principals will gain a deeper understanding of the United States so that they can share their experiences of a diverse democratic society with teachers and students in their home communities. By providing an opportunity for partnerships with U.S. principals, this program will form a basis for productive and lasting relationships and mutual understanding between South American and U.S. educators.

I.3. Program Goals

The proposals should reflect five overall goals: (1) To produce a highly focused regional program that exposes

secondary school principals from Bolivia, Ecuador and Venezuela to best practices in leadership and school administration in the United States; (2) to provide a variety of learning formats for them to share, discuss and compare issues of diversity, professional development for teachers, effective use of educational resources, community involvement and civic education in the three South American countries and U.S. secondary schools; (3) to provide opportunities for secondary school principals to gain computer skills; (4) to support collaboration between South American and U.S. principals by arranging ten-day visits to U.S. secondary schools to reinforce academic learning under the previous goals; and (5) to provide participants with opportunities to interact with Americans to gain an awareness and understanding of U.S. culture and society. The overall program content should focus on leadership and administrative strategies that are culturally appropriate and can be implemented in schools with limited resources in South America.

The Bureau of Educational and Cultural Affairs seeks proposals that demonstrate a deep understanding of the local educational systems in Bolivia, Ecuador and Venezuela and of the issues surrounding secondary school management and administration. Proposals should outline practical and feasible follow-on activities that build on the achievements of the program while promoting the continued exchanges of ideas between the participants, their U.S. partners and the U.S. cooperating institution.

I.4. Planning

The cooperating institution should coordinate closely with The Fulbright Teacher Exchange Branch (ECA/A/S/X), the Public Affairs Sections of Embassies Caracas, La Paz and Quito as well as the Fulbright Commission in Quito regarding activities and responsibilities for this program. During the planning phase, the cooperating institution should make one trip to the three countries to conduct a needs assessment in consultation with representatives from the Public Affairs Sections of the U.S. Embassies in La Paz, Quito and Caracas and the Fulbright Commission in Ecuador as well as Ministries of Education and educators in La Paz and Quito. Based on the assessment, the cooperating institution should submit a detailed schedule and program plan for the U.S. based program to the Fulbright Teacher Exchange Branch for approval.
