On August 1, 2006, the Coast Guard published a notice of proposed rulemaking (NPRM)(71 FR 43402) to establish permanent safety zones throughout the Great Lakes to conduct live fire gun exercises. The initial comment period for this NPRM ended on August 31, 2006. In response to public requests, the Coast Guard re-opened the comment period on this NPRM. (71 FR 53629, September 12, 2006) Re-opening the comment period from September 12, 2006 to November 13, 2006, provides the public more time to submit comments and recommendations. The proposed safety zones are all located at least three nautical miles from the shoreline.

AGENCIES: Forest Service, Agriculture; Fish and Wildlife Service, Interior.

ACTION: Request for comments.

SUMMARY: This notice solicits written comments and suggestions on the membership qualifications for Federal Subsistence Regional Advisory Councils established under Subsistence Management Regulations. The Federal Advisory Committee Act (FACA) requires that advisory councils be constituted with a balanced membership. The current Federal regulations set a goal of 70 percent subsistence users to 30 percent sport and commercial users on the Federal Subsistence Regional Advisory Councils. Because the U.S. District Court has enjoined application of the current 70/30 percent goal after 2006, it is necessary to give further reconsideration to alternative methods for assuring balance in membership for Regional Advisory Councils in time to make any decision applicable to the 2007 appointments. Therefore, no
